## Events Organized by Department A.Y.2016- 2017

### Civil Engineering Students' Association (CESA)

In order to provide a boost to various students' activities and to increase their participation in planning of academics related events, Civil Engineering Students' Association is formed in 2015.

It is envisaged that through CESA, expert lectures, industrial interactions, technical visits and various competitions related to civil engineering subjects will be organized.

Students of civil engineering department are always ahead in participating various inter-college sports competition and have won at various events.
