Subject: Financial Assistance Offer

Dear Mr. Deshmukh:

Congratulations on your acceptance into the Nanoengineering at North Carolina A&T State University. I am happy to inform you that the <u>Nanoengineering Department</u> at North Carolina A&T State University has offered you a total financial assistance package of **\$28,562.50** for the 2014-2015 academic year. This includes estimated out of state tuition of \$6,281.25 for fall 2014 and spring 2015 and a research assistantship of \$16,000 for the academic year from the Department of <u>Nanoengineering</u>. **Please note that you will be responsible for the payment of all your university fees, health insurance and in-state tuition**. Depending on availability of funds, we might consider you for an in-state tuition at a later stage. Details on tuition, fees and health insurance are available on the University Treasurer's website – <u>http://www.ncat.edu/divisions/business-and-finance/comptroller/treasurer/tuition-and-fees/</u>

This offer has the following terms and conditions:

- You must be enrolled full time in your academic program.
- To continue to receive this financial assistance, you must maintain a minimum GPA of 3.0 or higher.
- Your graduate research assistantship will be in the Department of <u>Nanoengineering</u> where you will conduct research and other duties assigned by your adviser. You are expected to work 20 hours per week as directed by the department.
- You are not permitted to accept any employment within or outside the university while you are receiving an assistantship.
- You must actively participate in research, meetings, conferences, seminars, graduate assistant training conducted by the Graduate School and any other required training sessions
- This offer is effective for <u>Fall 2014</u> and will be renewed for <u>Spring 2015</u> after a review of your performance at the end of <u>Fall 2014</u>.

Should you have any questions regarding this offer, please do not hesitate to contact me by email at <u>saravamu@ncat.edu</u>. Please indicate your acceptance or denial of this offer by May 27, 2014 by email to me.

Sincerely,

Shyam Aravamudhan Graduate Coordinator, Nanoengineering
