BHARATI VIDYAPEETH'S

COLLEGE OF ENGINEERING, LAVALE, PUNE 412 115

INSTITUTE PERSPECTIVE PLAN (2018-2023)

E-GOVERNANCE POLICY

Scope: E-governance envisages the sole vision of enhancing the system of governance for the development of the college by leveraging new and cutting-edge technologies. The broad areas of e-governance are in the area of examinations, admissions, day-to-day operations of departments, academics, placements management information systems, and stakeholder inclusion in a staged manner. The scope of this policy broadens to the following areas:

❖ College Administration

❖ Student Admission

❖ Examination & Evaluation

❖ Library Management

❖ Account & Finance Section

❖ ICT Infrastructure

❖ E-waste Management

OBJECTIVES

- Implementation of E-governance in all functions of the college to provide a simpler and more efficient system of governance within the college.

- To achieve and create a paperless environment in the college.

- To make a green campus.

- Providing easy access to information.

- To maintain the Data in a secure environment.

- Making the institution visible globally.

- To provide easy and quick access to information.

- Promoting transparency and accountability in all the functions of the college.

- To make our Classrooms ICT-enabled having Desktops, Smartboards, Projectors, etc.

- Implementation of E-governance in various functioning of the institution

- Achieving efficiency in our functioning.

- Facilitating online internal and external communication between various entities of the institution.

Policy:

1. To provide a simpler and efficient system of governance within the college, it is decided to adopt and implement E-governance in maximum activities of our functioning.

2. Institutions to embrace e-governance for the seamless access of data for better decision-making at various levels of the organization.

Area of Implementation:

1. Website & Social Media

2. Student Administration including Hostels

3. Academics & Office

4. Communication System

5. Finance & Accounts

6. Library

7. Placements

8. Alumni

E-governance in the following areas: For convenience purposes, the policy is divided into various areas of operation. These areas of operation are illustrative, and society reserves the right to implement e-governance even in the areas not enlisted.

1. **Website & social media:** The website will act as an information center which will reflect about the college, all its activities, important notices, courses offered, etc. The website should act as a mirror of the college activities and information about all activities, important notices, etc. should be made easily available. The website is hosted & deployed by a third party on a secure platform.

Along with it, training should be given to the existing staff, and people should be identified who will undertake the responsibility of website administration and updating at the college level. Important information & achievements will be posted on social media. A Website Committee is to be formed for the administration of the college website. The Committee will look after the process of updating, maintaining, and working on the website regularly. The Committee will also look for other changes that are required on the website. The College strives to showcase its vibrant self and activeness through its website. All the important notifications

must go live on the website as and when they are released. The website of the college is to be continuously updated considering the new changes.

2. **Student Administration:** The College brings out its notice which is displayed on the website as well as on the notice board for the Administration.

3. **Academics**: Admin Staff (Teaching as well as non-teaching Staff) to be provided with adequate training and development to keep them abreast with the new technology at regular intervals.

4. **Communication:** Regular updates are communicated concerning Students Fees, college updates & other academic matters by uploading notices on the website and WhatsApp group made by Staff.

5. **Finance & Accounts:** For ease of maintaining accounts & Finance suitable Accounting & Finance Tally Software package is utilized. Reports can be generated for all Staff members. Payments are generally made and received through online modes such as UPI, NEFT, RTGS, Bank Transfers, etc.

6. **Library:** The College continues to maintain its academic excellence through maintaining a well-stocked library. The College will add more and more e-learning resources for the benefit of the teachers and the students. The College should continue to subscribe to new journals and books regularly. Professors can apply to get books by different authors for the subjects they are teaching to increase the knowledge database. E-library is also available for e-books and other literature.

7. Examination: Examinations/student assessments play a very important role in deciding the quality of education. As per the directions of SPPU, it is mandatory to handle examinations in an online mode such as Filling out examination forms, Revaluation forms, Photocopy forms, Obtaining Hall tickets, receiving Exam papers, uploading marks, etc. Confidentiality is to be maintained while handling exam-related work. The College Examination Officer should supervise the entire process of examination under the guidance of the Head of the Institute.

8. Placements: Placement Officer to maintain student info & provide access to placement to students.
