Subject: Financial Assistance Offer

Dear Sulochana:

The Graduate College and Computational Science & Engineering are happy to offer you a total financial assistance package of \$14,745.00 for the 2017-2018 academic year. This offer is effective for fall 2017 and will be renewed for spring 2018 after a review of your performance at the end of fall 2017 and contingent on availability of funds. The assistantship offer includes estimated partial tuition of \$2,372.50 for fall 2017 and spring 2018 and research stipend of \$5,000.00 for fall 2017 and spring 2018. **Please note that you will be responsible for the payment of all your university bills including tuition, fees, health insurance and other costs.** Details on tuition, fees and health insurance are available on the University Treasurer's website - <http://www.ncat.edu/divisions/business-and-finance/comptroller/treasurer/tuition-and-fees/>.

This offer has the following terms and conditions:

- You must be enrolled full time in your academic program; at least 9 credit hours in graduate courses.
- To continue to receive this financial assistance, you must maintain a minimum GPA of 3.0 or higher.
- Your graduate research assistantship will be in Computational Science & Engineering.
- You are not permitted to accept any employment within or outside the university while you are receiving an assistantship.
- You must actively participate in research, meetings, conferences, seminars, graduate assistant training conducted by the Graduate College and the academic department.
- This offer is effective for fall 2017 and will be renewed for spring 2018 after a review of your performance and availability of funds at the end of fall 2017.

Should you have any questions regarding this offer, please do not hesitate to contact me by email at [asanders@ncat.edu](mailto:asanders@ncat.edu). Please indicate your acceptance of this offer by April 15, 2017 by email to [asanders@ncat.edu](mailto:asanders@ncat.edu). If I do not receive, your acceptance by April 15, 2017 this offer will be automatically voided.
