

Overview of Entrepreneurship Development Cell

The college has identified Entrepreneurship Development as the need of the hour in the context of growing opportunities for enterprises in India. Developing Entrepreneurial traits in students is one of the graduate attributes. An overriding objective of the venture is to achieve a transformation of minds of students from being job-seekers to being entrepreneurs themselves, utilizing the theoretical and practical knowledge they gained in the college. Entrepreneurship Development Cell is to encourage and transform Hoteliers into Entrepreneurs. We aim to enhance activities and provide training to students interested into fields such as: Food Production, Restaurant Management, Facility Management, Beverage Business, Business strategies Economics, Marketing.

VISION

The Entrepreneurship Development Cell is committed to nurture and develop entrepreneurial skills in experiential manner among the students community.

MISSION

The mission of EDC is to mould entrepreneurial thinking in our students and to create a business opportunity in and out of the campus with a great stability to achieving social and economic progress through entrepreneurship.
