

Dr. Vilasrao Kadam
Director

Director's Message

On behalf of Bharati Vidyapeeth's College of Hotel And Tourism (BVCHTMS), Navi Mumbai, I cordially extend a warm welcome and invitation for a constructive and professional association with our college. We will take persistent efforts to address your needs of qualified and trained personnel for the full-time and internship hiring requirements of your esteemed organization. We are positive that our students will meet your expectations since we groom them to nurture their all-round development and excellence both academically as well as on other concurrent fronts. This is reflected by our trend of academic toppers in University of Mumbai as well as trophies awarded to us in co-curricular and extracurricular activities at inter-collegiate level. We assure you that our association will help to create synergy to yield promising results to both of us. Our college has been on the forefront for promoting industry-institute interaction. This is reflected in our constructive events of industry visits, guest lectures, seminars and conferences, summer projects and campus placement drives etc. I sincerely thank all our esteemed industry partners for their professional and valuable support in our above mentioned activities and are looking forward to welcome you again in the campus. I personally extend a warm welcome on behalf of BVCHTMS family to the organizations visiting us .
