2.5. Evaluation Process and Reforms (40)

2.5.1 Mechanism of internal assessment is transparent and robust in terms of frequency and mode

Description

Bharati Vidyapeeth College of Architecture, Navi Mumbai (BVCOA) is affiliated to Mumbai University (MU) and follows the curriculum and examination pattern prescribed by them, namely the 2015-17 pattern which is a credit-based pattern. BVCOA follows a schedule of continuous internal and external assessment for all the subjects.

Duration of the program

The Bachelors of Architecture degree course is a full-time course, comprising ten semesters. Examinations are conducted at the end of each Semester. A candidate will be required to pass all the Ten Semester examinations (5 years; 10 semesters).

Transparency in Assessment

Semester wise performance includes Internal Assessment and End Semester Examination. In studio-based courses Continuous Internal Evaluation Assessment [CIE] is carried out and appropriate weightage is given to each assignment/course project and records are preserved. The methodology of submissions and evaluation is communicated to the students by each subject teacher. The lesson plans, internal marking schedule and design brief of all the subjects are compiled and submitted to the Principal and Academic Monitoring Committee before the commencement of semester.

Internal Assessment and Examinations:

The Exam Department supervisor manages the schedule and all students and faculties are informed of the final schedule. Examinations for Semester I, II, III, IV, V are conducted by colleges affiliated to the University of Mumbai.

At the end of the first stage, Sem VI exams are conducted by University of Mumbai.

The end semester examination is held as per the scheme of the examination and university schedule and the relative weightage for it is 50 percent.

The methodology used to conduct University examinations (Semester-6 & 10) are conducted directly by the University.

Introduction

1.1 Recommendations of National Regulatory Authorities

The University Grants Commission (UGC), the National Assessment and Accreditation Council (NAAC), the Distance Education Council (DEC) and even the National Knowledge Commission (NKC) have time and again come out with recommendations for improving the quality and effectiveness of Higher education provisions in the country. The ministry of Human Resource Development at the Central level and the Ministry of Higher & Technical Education, Govt. of Maharashtra have also repeatedly stressed on the need for universities to pay prompt attention to improve the quality of education.

An important concern voiced more strongly in recent times, is the need to develop a Choice-Based Credit System (CBCS) in tune with global trends and the adoption of a sound grading system for reflecting learner performance. To quote Shri S. K. Tripathi, former Secretary, Dept. of Secondary and Higher Education, Ministry of Human Resource Development, Govt. of India, "..... *The demand for socially relevant, economically productive, globally competitive, culturally sustaining and individually satisfying programmes that cater to the needs of the present times is fast growing. The constraints of pursuing programmes and participation in pre-determined combination of Courses pose rigidities not in keeping with the demands of the changing times.... There is a need for a fully convertible credit-based system acceptable to other universities.*

Recommendation of the UGC in its *Action Plan for Academic and Administrative Reforms* (Ref. UGC letters January 2008; March 2009) "..... *Curricular flexibility and learners' mobility is an issue that warrants our urgent attention. These can be addressed by introducing credit based courses and credit accumulation. In order to provide with some degree of flexibility to learners, we need to provide flexibility in course selection and also a minimum as well as a maximum permissible span of time in which a course can be completed by a learner... The Choice-Based Credit System (CBCS) imminently fits into the emerging socioeconomic milieu, and could effectively respond to the educational and occupational aspirations of the upcoming generations. In view of this, institutions of higher education in India would do well to invest thought and resources into introducing*

COLLEGE OF ARCHITECTURE
NAVI MUMBAI

CBCS. Aided by modern communication and information technology, CBCS has a high probability to be operationalised efficiently and effectively — elevating learners, institutions and higher education system in the country to newer heights... ”.

The National Knowledge Commission (NKC) under the chairmanship of Mr. Sam Pitroda, in its report to the Prime Minister on 29th November 2006) has also reiterated the importance of higher education and the contribution it has made to economic development, social progress and political democracy in independent India. However, the Commission has also pointed out to a “serious cause for concern” at this juncture. According to Mr. Pitroda, “ *it is important for us to recognize that there is a quiet crisis in higher education in India which runs deep. And the time has come to address this crisis in a systematic, forthright manner. There is a need for a transition to a course credit system where degrees are granted on the basis of completing a requisite number of credits from different courses, which provides learners with choices....*

1.2 Rationale for introduction of Credit and Grading System

The UGC while outlining the several unique features of the Choice-Based Credit System (CBCS) has, in fact, given in a nutshell, the rationale for its introduction. Among the features highlighted by the UGC are: *Enhanced learning opportunities, ability to match learners' scholastic needs and aspirations, inter-institution transferability of learners (following the completion of a semester), part-completion of an academic programme in the institution of enrolment and part-completion in a specialized (and recognized) institution, improvement in educational quality and excellence, flexibility for working learners to complete the programme over an extended period of time, standardization and comparability of educational programmes across the country, etc.*

This credit and grading based system enables a much-required shift in focus from teacher-centric to learner-centric education since the workload estimated is based on the investment of time in learning, not in teaching. It also focuses on continuous evaluation which will enhance the quality of education. It can be concluded from the above discussion that it is very much essential to implement the credit and grading based higher education in India. University of Mumbai has taken a lead in implementing the system through its affiliated Institutes. In this regard it is very much essential to train and educate the faculty and staff in the new approach of education

COLLEGE OF ARCHITECTURE
NAVI MUMBAI

system for successful implementation. The essential information is made easily accessible through this manual. Course credit structure, examination/assessment and grading are mainly focused aspects of this manual and discussed in subsequent chapters.

1.2 Notes for the creation of a new syllabus in architecture (Bachelor of Architecture, University of Mumbai)

"It is time that (we) remembered that schools were set up to challenge the wisdom of the world and its corruption, rather than to reinforce it."

Daniel Liebeskind

Architectural Education in India has been weighed down by the traditions of Architectural Practice that labor under the twin hegemonies of design and technology. In the past architectural curricula have developed as reactions to historical change, to immediately preceding narratives. We must appreciate that architecture today is more and more being informed by disciplines out of/other than architecture.

There is a need for redefining the Student of Architecture today. A student of architecture is not only a learner, but also a producer of knowledge. The student's tools include a critical, evaluative, conceptual mind, the ability to interconnect concepts/ facts, to use theory and argument and seek a higher level of explanation in the process of learning and its application to design. The student's initial challenges shall be to differentiate between objective and accepted reality, to appreciate architecture as a cultural process, and to perceive change as a series of discontinuities, more than cause/effect transitions. Only then can the student become relevant in today's world, rather than mindlessly repeat the dogma of the past.

In the creation of a new syllabus for the Bachelor of Architecture Course, certain adjustments to older mindsets must be made:

1. Architecture has to be appreciated as a 2nd Order Discipline. It is a Meta discipline, a critical attitude, not merely an empirical discipline like engineering that needs/seeks/works with data.

3

ATTESTED TRUE COPY

PRINCIPAL
BHARATI VIDYAPEETH
COLLEGE OF ARCHITECTURE
NAVI MUMBAI

2. Architecture deals with fundamental issues of users, cities and societies, and not only materials, processes and aesthetics. It questions the presupposed, and seeks new and contemporary meanings.

Before a new syllabus is made, the makers (teachers) must recognize their own possible insidiousness in the curriculum making process, and objectively go beyond their own accepted knowledge beliefs and realities. Real learning will not emerge merely out of the didactic (which itself emerges out of biases, prejudices and ad-hoc choices). Peter Eisenmann has said: *"The only way to advance in a discipline is to displace knowledge, and the only discourses that remain healthy are those that are displacing discourses. The ones that cling to their theory and their tradition and their rationality, die."*

The following objectives for a new syllabus for architectural education are proposed:

1. The new syllabus should prepare a student to understand and locate himself/herself in the real world.
2. The new syllabus should appreciate and reconcile itself to the imperfect times that we live in.
3. The new syllabus should reflect, through application, upon the technological state-of-the-art of the world today and its relevance.
4. The new syllabus should give a direction or hope for the future.

In order to fulfill these objectives, the following questions may be asked first:

1. What is a work of architecture?
2. How is architecture different from nature?
3. How useful are our tools (curriculum) for evaluating these two questions (meta-questioning)?

Since the latter half of 2011, the Ad-hoc Board of Studies in Architecture (University of Mumbai) has called together the principals and senior faculty of all the colleges of architecture under the university for a series of deliberations on the nature of the new syllabus. Right from the very outset there has been an agreement that the syllabus should reflect the following objectives:

- Architecture is 'discipline'/ meta-discipline, not merely an empirical process

4

ATTESTED TRUE COPY

PRINCIPAL

BHARATI VIDYAPEETH
COLLEGE OF ARCHITECTURE
NAVI MUMBAI

- Critical thinking/ criticality is important. The student must be given the tools to critically evaluate the world he/she lives in
- The student needs to be redefined as more than a learner, but a producer of knowledge
- In the spreading world of information technology and easily available knowledge, the teacher needs to be redefined as more than a giver of information, but one who can show the student how design is a critical process
- The architecture syllabus needs to be flexible. Individual colleges should be given the means to interpret and expand on the syllabus in their own way
- Diversity must be appreciated and encouraged. Learning can be simultaneous and non-linear
- A student needs to inculcate the ability to question, ability to redefine technology, ability to question the relevance of technology
- Being informed by disciplines out of/other than architecture, Non technology subjects, particularly those from the liberal arts and the humanities may come into foreground
- Emphasis should be on theory also, not only on practice (empiricism)
- Encourage research and give direction to research

In addition to these agreed objectives, the following external requirements are also acknowledged. The first is the adoption of the Credit system for evaluation and grading, that the University of Mumbai has adopted for all future syllabi. This entails converting the current Annual pattern Syllabus to a Semester Pattern. Secondly, acknowledging the requirements given by the Council of Architecture, New Delhi; the course shall now be divided into two distinct stages- a Basic Course and Advanced Course. The Council has also encouraged individual colleges to be given both time and credits to develop their additional syllabi components so that diversity in directions for architectural education and practice shall be encouraged. As such 25% of the timetable shall be dedicated to projects, electives or coursework offered by the colleges themselves based on their philosophy and institutional objectives.

1.3 The Syllabus Scheme

1.3.1 B.Arch programme

Duration of the program

The course leading to the degree of Bachelor of Architecture shall be a full time course, comprising of ten semesters. Each semester shall have the duration of one academic term.

There will be an examination at the end of each Semester. A candidate for the degree of Bachelor of Architecture examination will be required to pass all the ten Semester examinations:

5 years; 10 semesters, divided into:

Basic Course (Stage 1) = 6 semesters

Advanced Course (Stage 2) = 4 semesters

The candidates admitted to the course shall complete the first stage within 5 years of admission to the course.

Scheme of teaching for Stage I of the course

As per Council of Architecture,

75 % of the total periods of study, common for all the colleges will be detailed out in the syllabus by the University of Mumbai. In order to give freedom to the institutions and to orient the course as per their own philosophy 25 % of the total periods of study will be detailed out by the individual colleges.

30 hrs = 36 periods of 50 minutes duration.

Out of which 27 classes will be detailed out by the University.

Remaining 9 classes will be detailed out by the institutions.

Examinations.

Examinations for Semester I, Semester II, Semester III, Semester IV, Semester V to be conducted by colleges affiliated to university of Mumbai.

At the end of the first stage,

Examinations for Sem VI exam to be conducted by University of Mumbai as per the scheme of the examination as prescribed in the syllabus.

1.3.2 M.Arch Programmes

Duration of the program

The course leading to the degree of Master of Architecture shall be a full time course, comprising of four semesters. Each semester shall have the duration of one academic term.

There will be an examination at the end of each Semester. A candidate for the degree of Master of Architecture examination will be required to pass all the four Semester examinations:

Examinations.

Examinations for Master of Architecture Semester I, and semester III, to be conducted by colleges affiliated to university of Mumbai.

Examinations for semester II and s semester IV to be conducted by University of Mumbai as per the scheme of the examination as prescribed in the syllabus.

2. COURSE CREDIT STRUCTURE

As the requirements for a particular degree (undergraduate or postgraduate), a certain quantum of academic work measured in terms of credits is laid down in general. Every semester by satisfactorily clearing courses/other academic activities a learner earns credits. The amount of credit associated with a course is dependent upon the number of hours of instruction per week in that course. Similarly the credit associated with any of the other activities is dependent upon the quantum of work expected to be put in for each of the other activity per week.

2.1 Credit Assignment

The courses for B.Arch or M.Arch programmes are lecture based or studio based. For B, arch the Teaching per week is for 30 hours = 36 periods of 50 minutes duration. The courses have assigned no. of periods per week as described in the scheme of teaching.

Credit (C) for a course is dependent on the number of hours of instruction per week in that course, and is obtained by using a multiplier of one (1) for lectures, As well as studio. For programmes in Architecture one teacher/guide is assigned to a small group of students. Students get individual guidance from the teacher, and learning in the studio is more effective.

2.2 Minimum Credit Requirements

The minimum credit required for award of a B.Arch degree is **340**. Out of which (36X9) =324 credits are normally divided into Theory courses, studios, electives, seminars and projects in duration of nine semesters. And 16 credits will be granted for completion of professional practice of 16 weeks duration.

The minimum credit required for award of a M. Arch degree is **96**. The credits are distributed in four semesters as shown in the structure and syllabus manual of each programme. Courses generally progress in sequences, building competencies and their positioning indicates certain academic maturity on the part of the learners. Learners are expected to follow the semester wise schedule of courses given in the syllabus manual of respective programmes.

2.3 Course/Subject codes

B.ARCH Programmes: In the syllabus manual of each programme of a particular discipline, subject code is assigned for each course. The subject code consists of seven to eight digits. First three digits (letters) indicate the program of a particular discipline, next digit (letter) indicates course is either core/compulsory or elective or project or seminar or Dissertation. A fifth digit (number) indicates semester of a program and sixth and seventh digit (number) indicates serial number of course. An eighth digit (number) is only applicable for elective course which indicates the serial number of elective course in that group.

The first two letters used in coding of courses indicates respective programmes. The following is the list of programmes and letters assigned in course/subject codes;

I	Architecture-	BAR
II	M.Arch- Urban Design-	MUD
III	M.Arch- Arch. And Urban Conservation	MUC
IV	M.Arch Project management -	MPM
V	M.Arch By research partly by papers	MRP

3. EXAMINATION / ASSESSMENT AND GRADING

Semester wise performance assessment of every registered learner is to be carried out through various modes of examinations. These include Internal Assessment and End Semester Examination. The modes of evaluation and distribution of weightage for each of the assessments is given in the syllabus manual of each programmes. Normally weightage of Internal Assessment and End Semester Examination is equal. In studio based courses continuous assessment should be carried out and appropriate weightage should be given to each assignment/course project and proper record of the same to be preserved by the concerned faculty for the purpose of inspection as and when required.

3.1 Attendance

Attendance for all Theory, studio, Seminar, and Project/Dissertation is compulsory. As per the University ordinance 119, 75% attendance is compulsory for keeping the term.

3.2 Modes of Assessment/Evaluation

3.2.1 Evaluation for lecture based Courses

Various modes of assessment are used for rating learners' performance in a lecture based. The methods of evaluation include Internal Assessment and End Semester Examination. Relative weightage for Internal Assessment is generally 50 per cent. This will consist of class tests, seminars, presentation of reports or documentation, small assignments, projects to be carried out individually or in a group. The weightage for Internal Assessment may be 100 percent for some courses.

The end semester examination will be held as per the scheme of the examination and university schedule and the relative weightage for this would be 50 per cent. This examination will cover the full syllabus of the course for the respective semester.

ATTESTED TRUE COPY

11

PRINCIPAL
BHARATI VIDYAPEETH
COLLEGE OF ARCHITECTURE
NEW MUMBAI

3.2.2 Evaluation for studio based courses

In the design studio or for the technical subjects, sessional work shall consist of supervised design development, the working out of technical details, reports and documentation.

The internal sessional marks include progressive marking and evaluation after completion of the assignment. The weightage for Internal Assessment may be 100 percent for some courses.

The external evaluation for some courses may include viva voce examination or Jury as per the scheme of examination.

The weightage for internal assessment would be 50 percent and the weightage of external viva would be 50 cent wherever the external viva is conducted for the course.

If a candidate fails to obtain minimum passing marks for internal sessional work, he/she will not be allowed to appear for external viva for the respective course.

3.2.3 Evaluation of College Projects

College projects form part of the 25% class time that shall be planned by the colleges according to their philosophy and institutional objectives. College Projects may include mixed group participation of students from different years, or may be dedicated to any one class. The College Project time and credits may also be used to supplement additional coursework to advance knowledge in the core subjects in the syllabus. Credits for these projects will be given to each student as per his/her attendance, participation and contribution towards the projects. These Credits will be given by the respective project coordinators for the term.

The following is a representative list of what may constitute college projects:

Seminars, Tutorials/ additional classes for any course, Guest Lectures, putting up Exhibitions, Workshops, participating in Architectural Competitions or conducting Site Visits or Study Tours.

3.2.4 Evaluation of Elective courses

Electives form part of the 25% class time that shall be planned by the colleges according to their philosophy and institutional objectives. Electives may include mixed group

12 ATTESTED TRUE COPY

PRINCIPAL
BHARATI VIDYAPEETH
COLLEGE OF ARCHITECTURE
NEVI MUMBAI

C

C

participation of students from different years, or may be dedicated to any one class. Electives shall be offered by the college to each class to supplement additional coursework or to advance knowledge in architecture and allied fields.

Grades for electives will be given to each student as per his/her attendance, participation and satisfactory completion of assignments. These grades for the Electives shall be given by the respective elective teacher for the term.

Representative Lists for possible electives in architecture and allied fields can be referred to from the Council of Architecture's Document on Minimum Standards of Architectural Education. Each college can, of course, determine electives based on the needs of the day, and the availability of resource persons.

The end semester examination is mandatory. The grade for courses can be awarded only after successfully completion of both Internal Assessment and End Semester Examination of the respective course as per the scheme of the examination.

3.3 Grading of Performance

3.1 Letter Grade and Grade Point Allocation

The credit and grading system will be effective from the academic year 2012-2013 for Faculty of Technology of University of Mumbai. In every course, based on the combined performance in all assessments in a particular semester as per the curriculum/syllabus, the student is awarded a letter grade. These letter grades not only indicate a qualitative assessment of the student's performance but also carry a quantitative (numeric) equivalent called the Grade Point. The letter grades and their equivalent grade point applicable for **undergraduate** programme and postgraduate programme are given below:

Percentage of Marks Obtained	Letter Grade	Grade Points	Performance
75.00 and above	O	10	Outstanding
70.00- 74.99	A	9	Excellent
65.00- 69.99	B	8	Very Good
60.00 - 64.99	C	7	Good
55.00 - 59.99	D	6	Fair
50.00 - 54.99	E	5	Satisfactory
Less than 50.00	F	0	Fail

12
ATTESTED TRUE COPY

PRINCIPAL
BHARATI VIDYAPEETH
COLLEGE OF ARCHITECTURE
NAVI MUMBAI

A learner who remains **absent** in any form of **evaluation/examination**, **letter grade** allocated to him/her should be **AB** and corresponding **grade point** is **zero**. He/She should reappear for the said evaluation/examination in due course.

3.2 SGPI/ CGPI Calculation

3.2.1 Semester Grade Performance Index (SGPI)

The performance of a learner in a semester is indicated by a number called Semester Grade Performance Index (SGPI). The SGPI is the weighted average of the grade points obtained in all the courses by the learner during the semester. For example, if a learner passes five courses (Theory/Projects/ Seminar /electives etc.) in a semester with credits C_1, C_2, C_3, C_4 and C_5 and learners grade points in these courses are G_1, G_2, G_3, G_4 and G_5 respectively, then learners' SGPI is equal to:

$$SGPI = \frac{C_1G_1 + C_2G_2 + C_3G_3 + C_4G_4 + C_5G_5}{C_1 + C_2 + C_3 + C_4 + C_5}$$

The SGPI is calculated to two decimal places. The SGPI for any semester will take into consideration the F grade awarded in that semester. For example if a learner has failed in course 4, the SGPI will then be computed as:

$$SGPI = \frac{C_1G_1 + C_2G_2 + C_3G_3 + C_4 * ZERO + C_5G_5}{C_1 + C_2 + C_3 + C_4 + C_5}$$

The courses for B.Arch programs have

A) only sessional marks (internal + external) or

B) Theory and internal sessional marks. The grades are given on the basis of total marks obtained by adding internal and external marks obtained by the learner.

In case of A, passing grade will be given for more than 50% marks

(internal 50% + external 50%) divided by 2

The letter grades and their equivalent grades points with the courses with only sessional marks will be as follows:

14

ATTESTED TRUE COPY

PRINCIPAL

SHRI. S. S. VIDYAPEETH
COLLEGE OF ARCHITECTURE
NAVI MUMBAI

GRADE POINTS FOR COURSES WITH ONLY SESSIONAL WORK

Percentage of Marks Obtained	Letter Grade	Grade Points	Performance
75.00 and above	O	10	Outstanding
70.00- 74.99	A	9	Excellent
65.00- 69.99	B	8	Very Good
60.00 - 64.99	C	7	Good
55.00 - 59.99	D	6	Fair
50.00 - 54.99	E	5	Satisfactory
Less than 50.00	F	0	Fail

In case of B, passing grade will be given for 45% (Theory 40% + sessional 50%) divided by 2

The letter grades and their equivalent grades points for the courses with theory and internal sessional marks will be as follows:

GRADE POINTS FOR COURSES WITH THEORY EXAM AND SESSIONAL WORK

Percentage of Marks Obtained	Letter Grade	Grade Points	Performance
75.00 and above	O	10	Outstanding
70.00- 74.99	A	9	Excellent
65.00- 69.99	B	8	Very Good
60.00 - 64.99	C	7	Good
55.00 - 59.99	D	6	Fair
50.00 - 54.99	E	5	Satisfactory
45.00 -49.00	p	4	pass
Less than 45.00	F	0	Fail

Note: SGPA for under graduate and post graduate programmes in Architecture will be calculated on the basis of this grading system.

SGPA for a learner between 4.5 and 5 should be rounded as 5, if the learner has obtained 50% aggregate marks in that particular semester examination.

15

ATTESTED TRUE COPY

PRINCIPAL
BRABATI VIDYAPEETH COLLEGE OF ARCHITECTURE
BANGALORE

3.2.2 Cumulative Grade Performance Index (CGPI)

An up to date assessment of the overall performance of a learner from the time s/he entered the University of Mumbai is obtained by calculating a number called the Cumulative Grade Performance Index (CGPI), in a manner similar to the calculation of SGPI. The CGPI therefore considers all the courses mentioned in the curriculum/syllabus manual, towards the minimum requirement of the degree learner have enrolled for, since learner entered the University of Mumbai. The CGPI is calculated at the end of every semester to two decimal places and is indicated in semester grade report cards.

The CGPI will reflect the **failed status** in case of **F grade(s)**, till the course(s) is/are **passed**. When the **course(s)** is/are **passed** by obtaining a **pass grade** on subsequent examination(s) the **CGPI** will only reflect the **new grade** and not the **fail grades** earned earlier.

Example: Up to semester r a learner has registered for n courses, among which s/he has "F" grade in course i . The semester grade report at the end of semester r therefore will contain a CGPI calculated as:

$$CGPI = \frac{C_1G_1 + C_2G_2 + C_3G_3 + \dots + C_i \text{ * ZERO } + \dots + C_n G_n}{C_1 + C_2 + C_3 + \dots + C_i + \dots + C_n}$$

Even if a learner has **failed** in a course **more than once**, the course will figure **only once** in the **numerator** as well as the **denominator**. At the end of semester $r+1$ s/he has appeared for examination for k number of courses including the **backlog course** i and has cleared all the courses including the **backlog course**, the CGPI at the end of this semester is calculated as,

$$CGPI = \frac{C_1G_1 + C_2G_2 + C_3G_3 + \dots + C_i \text{ * } G_i + \dots + C_n G_n}{C_1 + C_2 + C_3 + \dots + C_i + \dots + C_n}$$

There will also be a **final CGPI** calculated which considers **all the credits earned** by the learner specified for a particular programme.

3.3 Heads of Passing

Theory examination, Internal Assessment, and external viva, should be independent (separate) heads for passing.

ATTESTED TRUE COPY
ATTESTED TRUE COPY
PRINCIPAL
BHARATI VIDYAPEETH
COLLEGE OF ARCHITECTURE
NAVI MUMBAI

3.4 Promotion of Learner and Award of Grades

A learner will be declared **PASS** and eligible for **grade** in a particular course of **undergraduate and post graduate** programme if,

- A learner secures **at least 40% marks in theory for each head of passing** mentioned above.

And

- A learner secures at least 50% marks in internal sessional work for each head of passing.

And

- A learner secures at least 50% marks in external viva for each head of passing.

And it is mandatory that a learner secures at least 50 % marks as aggregate, i.e. 50% of the total obtainable marks for the examination with all the heads of passing taken together.

3.5 Carry Forward of Marks

In case of a learner who does not fulfill criteria mentioned in section 3.4 and fails in the **Internal Assessment** and/or **End Semester Examination** in one or more courses:

- A learner who **PASSES** in the **Internal Assessment** but **FAILS** in the **End Semester Examination** of the course shall reappear for the **End Semester Examination** of that course. However his/her marks of the **Internal Assessment** shall be **carried over** and he/she shall be entitled for grade obtained by him/her on passing.

The candidate may submit a fresh improved sessional work by applying to the controller of examination and can obtain fresh marks to be included as fresh sessional marks for the subsequent examination.

- A learner who **PASSES** in the **End Semester Examination** but **FAILS** in the **Internal Assessment** of the course shall reappear for the **Internal Assessment** of that course. However his/her marks of the **End Semester Examination** shall be **carried over** and he/she shall be entitled for grade obtained by him/her on passing.

17 **ATTESTED TRUE COPY**

PRINCIPAL
BHARATI VIDYAPEETH
COLLEGE OF ARCHITECTURE
NAVI MUMBAI

3.6 Re-examination of Internal Assessment and End Semester Examination

Reexamination for Internal Assessment should be completed before the commencement of next semester theory examination.

Example: A learner who is supposed to reappear for Internal Assessment in semester- I course will appear for the re examination before commencement of End Semester Examination of semester -II.

A learner will re submit the sessional work of semester I in a predefined period and the new sessional marks will be given for re examination of semester I.

Records should be maintained properly for all the re-examinations as well as Internal Assessments.

Re examination of End Semester Examination will be conducted as per the schedule planned by University of Mumbai

3.7 Allowed to Keep Terms (ATKT):

1. A learner shall be allowed to take admission to Semester II irrespective of grades obtained in each course of Semester I.
2. A learner shall be allowed to take admission to Semester III if he/she passes (grade 'P' or above in each course) each of Semester I and Semester II

OR

He/ she fails in either semester I or semester II examination , but passes in all internal heads of passing of semester I.

Provided

The learner has kept satisfactory attendance for semester I and semester II in a college of architecture affiliated to University of Mumbai has completed the sessional work prescribed for the Semester I and semester II of the First Year of Bachelor of Architecture degree program .

University Examination Guidelines

Board of Studies in Architecture, University of Mumbai

Guidelines for Professional Training for Semester VIII

The following guidelines for conduct of juries are issued to colleges of architecture to maintain fair and on par conduct of examinations. College Principals shall make them known to all students, internal teachers and external examiners.

Introduction:

Based on the new syllabus of B.Arch. (Bachelor of Architecture) in the University of Mumbai that came into effect from 2012, the professional training term is now semester VIII (second half of the fourth year).

Students of the fourth year are now expected to work in offices of architecture and allied fields (interior design, landscape design, conservation, etc., under architects registered with the Council of Architecture) for the duration of one term for 16 credit points.

The duration of the Professional Training term shall be a minimum of 4 calendar months/ 90 working days. The students will subsequently face a viva-voce based on their experience in the architectural firms.

Students are expected to return to college for their Final year, Semesters IX and X which will require their full-time attendance. The following are expected from the students, firms and Jury members as given below:

Principal
Bharati Vidyapeeth
College of Architecture
Belpada Complex, Opp. Kharghar
Rty. Station, C.B.D. Navi Mumbai

Guidelines for the architecture firms:

1. Students must work only under architects registered with the Council of Architecture, New Delhi.
2. Students are expected to work full time in the architectural firms for a duration of 40 hrs per week for minimum 4 calendar months/ 90 working days. Students shall be free on weekends.
3. During the training period, the student is expected to work in accordance with the discipline of the organization, however as these students are in the middle of their B. Arch course, they may not be treated as interns awaiting full professional qualifications.
4. The objective for the training period is for the student to get a comprehensive view of office practices and disciplines in an architectural organization and to contribute to the organization based on their current knowledge and skills.
5. A student at the level of fourth year has necessary drawing skills (both by hand and computer) and understanding of structure, construction and services, the ability to design mid-level residential, commercial and institutional projects, make working drawings and approval drawings.
6. It is expected that the student receive remuneration of Rs. 5000/- per month (at the minimum). This amount may increase based on merit as deemed by the organization.

Guidelines for the students:

1. Students are expected to work full time in the architectural firms for a duration of 40 hrs a week for minimum 4 calendar months/ 90 working days. Students shall be free on weekends.
2. Students are expected to carry out their entire Professional Training term in a single office.
3. Students may work in offices on design and architecture drawings, site visits, meeting with clients, etc. but also on allied subjects such as interior design, landscape design, conservation, documentation, research, and associated work.
4. At the end of their training the student will have to submit a detailed report of the experience gained during that time. A log book will have to be maintained by the student and counter signed by the principal of the firm (having COA registration) and also attested by the college. Both the report and the log book shall be presented by the student during the professional practice jury.
5. Students are expected to return to college for their final year, on the first day of semester IX for full time attendance.

Guidelines for Jury members:

1. The viva for the professional training shall take place at the end of semester VIII in an exam conducted by individual colleges on behalf of University of Mumbai.
2. Students are to be marked out of 200 of which minimum marks for passing are 100.
3. During the viva, students shall present to the jury members their log books and a detailed report of work done in an architecture office. It is expected that the students be examined

Principal
Bharati Vidyapeeth
College of Architecture
Suipada Complex, Opp. Kharghar
Mumbai, Maharashtra

on these documents.

4. Students may work in offices on design and architecture drawings, site visits, meeting with clients, etc. but also on related subjects such as interior design, landscape design, conservation, documentation, research, and associated work.
5. As these students are in the middle of their B. Arch programme, they should not be treated as interns awaiting full professional qualifications.

Principal
Bharati Vidyapeeth
College of Architecture
Belpada Complex, Opp. Kherghar
Rly. Station, C.B.D. Navi Mumbai

Board of Studies in Architecture, University of Mumbai
Guidelines for Design Dissertation & Architectural Representation & Detailing
SEM X

The following guidelines for conduct of juries are issued to colleges of architecture to maintain fair and on par conduct of examinations. College Principals shall make them known to all students, internal teachers and external examiners.

Guidelines for

1011 Design Dissertation

1007 Architectural Representation & Detailing 8

The following guidelines/protocols should be followed for the Sem X Design Dissertation and ARD Jury.

Guidelines for Colleges

The external viva-voce (Jury) of Sem X Design Dissertation (DD) and Architectural Representation & Detailing (ARD) shall be conducted on the same day as per the time-tables issued by the University.

The DD drawings, ARD drawings and reports and Sem IX Dissertation Report (Black Book) shall be submitted by the candidates to the college at least one day in advance of the jury, duly attested and signed by the Internal Research Guides.

Colleges should make adequate arrangements of display boards and tables for the students to showcase their work and for a smooth conduct of the jury.

External viva for Design Dissertation and Architectural Representation and Detailing will be

Principal
Bharati Vidyapeeth
College of Architecture
Belpada Complex, Opp. Kharghar
Rly. Station, C.B.D, Navi Mumbai

conducted simultaneously. Two examiners (jury members) shall examine each student. It is advised that each set of jurors examine around 8-10 students in a day.

It should be noted that online juries were permitted by the University under special circumstances of COVID pandemic. As normalcy has returned, all viva-voce exams need to be conducted offline, where the candidates and examiners are present on-site.

The requirements of work to be carried for both the courses are clarified below. The mode of presentation of this work can follow various options, to be decided by individual colleges. These options include: fully printed work/ fully digitally projected work on large screens/ hybrid of printed and digital projections. The printed work will be signed by the examiners during the viva. If opting for the latter two options, the colleges must work out systems for prior submission and record of the work presented during the jury, and convey the same to the examiners.

Specific guidelines issued by the University in 2018 and currently in force about submission of work, attendance, protocols of conducting the exam, scheme of grading, and review if any, will be applicable for all programs. These guidelines must be made known by college principals to all students, internal teachers and external examiners.

Guidelines for Students, internal research guides and examiners

Dissertation

Students are required to develop the design based on the topic, and research carried out in Sem IX, 911 Dissertation.

The final presentation drawings should include all such drawings as to explain the design and its detailing comprehensively. This may include concept development, location plans, site plans and site section, detailed floor plans, elevations, sections, large-scale sections and explanatory views and/or walkthroughs. Model/s are encouraged to explain the design better.

The design development is related to the topic, research inferences, design objectives and design brief as developed in the Sem IX. Note that there are no mandatory

Principal
Bharati Vidyapeeth
College of Architecture
Belpada Complex, Opp. Kharghar
Rly. Station, C.B.D, Navi Mumbai

minimum/maximum requirements relating to size of site, and the design brief (areas).

Irrespective of the scale, the dissertation projects should exhibit architectural complexity in problem selection and its resolution that may emerge from social, cultural, environmental, and geographical understanding which is commensurate with the final year B.Arch. level.

1007 Architectural Representation & Detailing 8 (ARD)

It is important for students, internal research guides and examiners to note that, while ARD will be marked separately, the material presented for assessment in Architectural Representation and Detailing 8 is an extension of, and a detailed development of the Design Dissertation. Both are to be read together, and should relate to one another to represent the final design for assessment.

For Architectural Representation and Detailing 8, students are required to include drawings and reports as under:

Drawings

Drawings made and presented can be both conceptual explanations as well as enlarged architectural details of significance from the very design presented for dissertation. ARD presentations are therefore neither working drawings, nor building construction sheets.

Drawings should include detailed sections/elevations, spot sections, etc., showing structural systems and tectonic organizations; schematic layouts with building services and the use of sustainable practices as deployed in the design.

Reports – A3 size

The ARD report shall include:

A conceptual explanation of the structural system and tectonic organization.

A justification of the method of construction and materials employed based on the specific case of the design topic.

The demonstration of active and passive systems related to building sciences and environment protection. This may be explained with sketches, tabulations and calculations worked

Principal
Bharati Vidyapeeth
College of Architecture
Belpada Complex, Opp. Kharghar
Rly. Station, C.B.D, Navi Mumbai

out in consultation with the internal faculty.

The Report should end with a one-page summary that justifies the various approaches employed to further the design through structures, services and sustainable practice

Principal
Bharati Vidyapeeth
College of Architecture
Belpada Complex, Opp. Kharghar
Rly. Station, C.B.D, Navi Mumbai

Board of Studies in Architecture, University of Mumbai

General Guidelines for viva voce examinations (Juries)

B. Arch and M.Arch. Examinations

External viva voce examinations (juries) of various courses will either be conducted by individual colleges on behalf of the university OR by the university itself, as per the respective curriculum of B.Arch. and M. Arch. Programs.

The appointment of examiners must be done with suitable teaching and/or professional experience and subject expertise. It is recommended that for all Design and Dissertation juries, the examiners have experience of minimum five and ten years respectively. It is also recommended that there be a diversity among the examiners across teachers from various clusters of the university and members from the profession connected with academics.

For all design courses and dissertation courses, a set of two examiners will together conduct the jury. Each pair of jurors may conduct viva-voce for 8-10 candidates. For other subjects, students will be examined by a single examiner who may conduct viva-voce of 13-15 candidates.

Computer generated drawings should be seen on par with hand drawn drawings and shall be acceptable as sessional work for all the courses of all the years.

The sessional work for the respective viva should be submitted one day prior to the viva.

In case the viva voce is scheduled on Monday, or a day after public holiday, the candidates are allowed to submit the drawings, before 8.30 am on the date of viva.

Principal
Bharati Vidyapeeth
College of Architecture
Belpada Complex, Opp. Kharghar
Rly. Station, C.B.D, Navi Mumbai

Commencement time for all viva-voce examinations is 9.00 am.

All the students are required to be present half an hour prior to commencement of the viva and to register for the viva by signing the attendance sheet. This sheet is to be handed over to the external examiners as the list of registered candidates.

The students should sign the subject wise attendance sheets as and when they appear for the viva- voce examinations.

An internal teacher should be present as coordinator at the time of viva.

Specific guidelines issued by the University in 2018 and currently in force about submission of work, attendance, protocols of conducting the exam, scheme of grading, and review if any, will be applicable for all programmes.

These and all other guidelines must be made known by the college principals to all students, internal teachers and external examiners for maintaining fair conduct of juries across all colleges.

Principal
Bharati Vidyapeeth
College of Architecture
Belpada Complex, Opp. Khorghar
Rly. Station, C.B.D, Navi Mumbai

Board of Studies in Architecture, University of Mumbai

The following guidelines for conduct of juries are issued to colleges of architecture to maintain fair and on par conduct of examinations. College Principals shall make them known to all students, internal teachers and external examiners.

Guidelines for

911 Design Dissertation Jury

The following guidelines/protocols should be followed for the Sem IX Design Dissertation Jury.

The Dissertation Report (black book) and additional sheets (if any) shall be submitted by the candidates to the college at least one day in advance of the jury, duly attested and signed by the internal Research Guides and the College Principal.

Two examiners (jury members) shall examine each student. It is advised that each set of jurors examine around 8-10 students in a day. For schools with a large intake, the juries may be held on more than one day, but with the same group of jurors. All internal Research Guides must be present for the whole day and be available to the jurors, if required.

The Jury shall be conducted in two stages:

1. Examination of the Dissertation Report (black book)
2. Viva-voce of the student

Stage One:

The pair of Jury members should (in Stage One) be given the bound reports (Black Book) submitted by the students and be allowed to examine them for two hours or as required. This

Principal
Bharati Vidyapeeth
College of Architecture
Belpada Complex, Opp. Kharghar
Rly. Station, C.B.D, Navi Mumbai

will be done without the students being present. The Jurors are advised to examine the bound reports and make a preliminary marking based on the quality of the contents

Stage Two

The jurors should, after Stage One, commence the Stage Two viva-voce of students, whose report they have already examined in Stage One. It is strongly discouraged for the examiners to conduct both Stage One and Stage Two simultaneously.

For Stage Two, each student may additionally carry A2 sheets (maximum 4) for a table-top presentation. **This additional material is optional.** Its purpose is not to replicate the entire report, but is limited to elaborate on any essential points of their research, or present larger maps/plans, site study, etc. The internal research guide may remain present during the stage-2 viva.

At the conclusion of stage two, Jurors shall make their final assessment/ marking.

STANDARD OPERATING PROCEDURE (SOP)

EXAMINATION COMMITTEE

Introduction:

Examination committee at Bharati Vidyapeeth college of Architecture, Navi Mumbai is formulated for smooth conduction and implementation of internal and university examination. The Committee make sure that the examination communication with university and information of the same to student is given prior and without any hurdle.

The committee aims for the quality check for the students through transparency in system and grievance redressed w.r.t. exam time to time.

We aim diversity in the selection of examiners for better feedback to the students and intend to enhance evaluation system.

Aim:

To monitor the implementation of examination as per the university guidelines and curriculum requirements for the betterment of students

Objectives:

Examination Committee ensures effective communication and conduction of examination with university. Committee look after for smooth working of exams and try to provide eminent examiners for evaluation.

To provide clear guidelines to all teaching staff regarding exam schedule and planning

To develop a communication with university regarding exam related amendments

To ensure that effective conduction of exams, assessment, evaluation and result declaration

To deal with issues related to exam grievances and redresses for the same

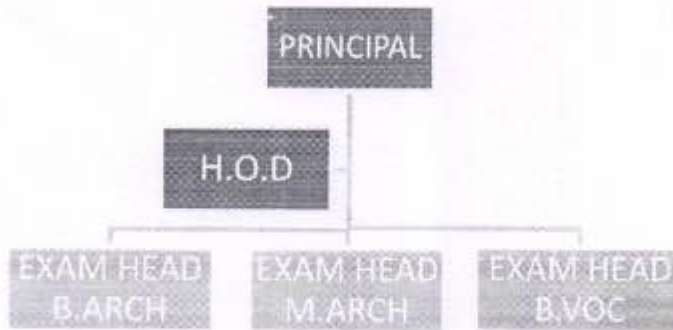

To make sure result analysis and the program outcomes are worked out

Principal

MOMs

Meetings are conducted at the start of each semester for working of activity calendar and budgeting of the activity.

Reporting:

 Principal
 Bharati Vidyapeeth
 College of Architecture
 Belpada Complex, Opp. Kharghar
 Rly. Station, C.B.D, Navi Mumbai

The exam committee look after the form filling, exam fee submission, documentation of exam conduction, assessment and result declaration reports of the batch is maintained.

The meetings are conducted as per the requirement of the examination activities.

The reporting to the university and compilation as per the prescribed format is done.

Annual report is maintained as per the governing body format for compilation.

Responsibilities of Exam Section:

1. Planning Phase:

- **Exam Head:** Sets the exam schedule, assigns roles to the team members, and communicates the plan to all faculties and students.
- **Appointments of Paper Setter:** Exam head will appoint paper setter for respective subject based on teaching experience of faculty for that subject

2. Preparation Phase:

- **Paper Setter:** Paper setter will prepare the question paper based on syllabus provided by the university of Mumbai and also need to take review from subject faculties then finalizes the exam paper and submits it to the Exam section.
- **Block Supervision Arrangement:** Prepares the exam venue, ensuring it is clean, quiet, and has all necessary materials (e.g., answer sheets, extra pens).

3. Execution Phase:

- **Block Supervisor:** Supervises the conduct of the exam, handles any issues that arise, and ensures exam rules are followed.
- **Exam Coordinator:** Oversees the entire process, resolves any major issues, and ensures the exam is conducted fairly and smoothly.

4. Post-Exam Phase:

- **Block Supervisor:** Collects the completed exam papers and hands them over to the head of the Exam Section.

Principal
Bharati Vidyapeeth
College of Architecture
Belpada Complex, Opp. Kharghar
Rly. Station, C.B.D, Navi Mumbai

- **Examiner:** Marks the exam papers accurately and fairly, and submits the marking sheet with answer papers to the head of the Exam Section.
- **Exam Head:** Compiles the results, handles any disputes or moderations, and announces the final results.

5. Review Phase:

- **Exam Coordinator:** Conducts a post-exam review meeting with the team to discuss what went well and what could be improved for future exams.
- **All Team Members:** Provide feedback and suggestions for improvement.

Instructions to the Exam Controller:

1. **Planning:** Develop a detailed plan for the examination process. This includes setting the exam schedule, assigning roles to the team members, and communicating the plan to all stakeholders.
2. **Coordination:** Coordinate with the paper setters, block supervisors, and examiners to ensure the exam process runs smoothly. Resolve any issues or conflicts that arise.
3. **Review:** Review the exam papers prepared by the paper setters. Ensure they are in line with the curriculum and learning objectives, and are free of errors.
4. **Conduct:** Oversee the conduct of the exams. Ensure all exams are conducted fairly, on time, and in accordance with the institution's rules and regulations.
5. **Security:** Ensure the security and confidentiality of the exam papers. This includes secure storage, transportation, and disposal of exam papers.
6. **Results:** Oversee the marking of exam papers and the compilation of results. Handle any disputes or re-evaluations, and announce the final results in a timely manner.
7. **Post-Exam Review:** Conduct a post-exam review to identify areas of improvement for future exams. This includes gathering feedback from students, staff, and other stakeholders.

 Principal
 Bharati Vidyapeeth
 College of Architecture
 Belpada Complex, Opp. Kharghar
 Rly. Station, C.B.D, Navi Mumbai

Instructions to the students on the day of the examination:

1. **Arrival Time:** Arrive at the exam venue at least 30 minutes before the start of the exam.
This will give you enough time to find your seat number and settle in allotted block
2. **Bring Necessary Items:** Bring all necessary items such as pens, pencils, erasers, calculators (if allowed), and your college student ID. Do not bring any items that are not allowed in the exam room.
3. **Follow Exam Rules:** Follow all exam rules and instructions given by the exam invigilators.
This includes not talking or communicating with other students during the exam.
4. **Read Instructions Carefully:** Before you start answering, spend a few minutes reading the exam instructions and questions carefully. Make sure you understand what is being asked.
5. **Time Management:** Keep track of time and try to allocate it wisely among all the questions. Don't spend too much time on a single question.
6. **Ask for Clarification:** If you don't understand a question or if you need any kind of assistance, raise your hand and ask the invigilator.
7. **Check Your Work:** If you finish early, use the remaining time to check your answers and make sure you haven't missed anything.
8. **End of Exam:** At the end of the exam, remain seated until the invigilator collects your exam paper and gives you permission to leave.

If a student arrives late for an exam, they should follow these steps:

1. **Stay Calm:** It's important to stay calm and composed, even though the situation might be stressful.
2. **Report to the Exam Supervisor:** Upon arrival, the student should immediately report to the exam supervisor or invigilator. They will provide guidance on the next steps.
3. **Follow Instructions:** The student should follow all instructions given by the exam supervisor. This may include signing in, handing over any prohibited items, and being escorted to their seat.

Principal
Bharati Vidyapeeth
College of Architecture
Belpada Complex, Opp Kharghar
Rly. Station, C.B.D, Navi Mumbai

4. **Start the Exam:** Once seated, the student should start the exam as quickly as possible. They should focus on answering the questions to the best of their ability, rather than worrying about the lost time.
5. **Time Management:** Given the reduced time, the student should prioritize their time effectively. They might want to start with questions they are most confident about to ensure they secure those marks.

Instructions to the Paper setter:

1. **Understand the Curriculum:** Familiarize yourself with the curriculum and learning objectives. The exam should assess the knowledge and skills outlined in the curriculum.
2. **Question Variety:** Include a variety of question types (e.g., multiple choice, short answer, essay) to assess different levels of understanding and different types of skills.
3. **Clear and Unambiguous:** Ensure that all questions are clear and unambiguous. Students should be able to understand what is being asked without any confusion.
4. **Difficulty Level:** The difficulty level of the questions should be appropriate for the level of the course. Include a mix of easy, moderate, and difficult questions.
5. **Marking Scheme:** Develop a clear marking scheme for each question. This will help ensure that the exam is marked fairly and consistently.
6. **Review and Revision:** Review the exam paper to ensure it meets the learning objectives and is free of errors. Revise the paper based on feedback from colleagues or the exam coordinator.
7. **Confidentiality:** Maintain the confidentiality of the exam paper until it is officially released.

Principal
Bharati Vidyapeeth
College of Architecture
Belpada Complex, Opp. Kharghar
Rly. Station, C.B.D. Navi Mumbai

Instructions to the Block Supervisors:

1. **Preparation:** Ensure the exam venue is prepared and suitable for the exam. This includes setting up desks, ensuring proper lighting, and checking that all necessary materials are available.
2. **Arrival Time:** Arrive at the exam venue well before the start of the exam to complete the setup and address any last-minute issues.
3. **Student Management:** Supervise the entry of students into the exam venue. Check student IDs or admit cards, if required, and guide them to their respective seats.
4. **Exam Instructions:** Clearly communicate the exam instructions to the students before the start of the exam. This includes information about the exam duration, when students can start and stop, and any specific rules they need to follow.
5. **Conduct:** Supervise the conduct of the exam. This includes maintaining silence, preventing cheating, and addressing any issues or queries raised by the students.
6. **Time Management:** Keep track of time and announce when the exam starts, when half the time has passed, and when there are 15 minutes remaining.
7. **Collection of Papers:** At the end of the exam, ensure that all answer sheets are collected and accounted for. Handle the answer sheets with care to avoid any damage or loss.
8. **Post-Exam:** Ensure the exam venue is left clean and tidy after the exam.

Instructions to the examiners:

1. **Understand the Exam:** Familiarize yourself with the exam content and structure. Understand the marking scheme and any specific guidelines provided by the institution.
2. **Fair and Consistent Marking:** Ensure that all exam papers are marked fairly and consistently. Use the marking scheme provided and apply it uniformly across all papers.
3. **Time Management:** Allocate your time effectively to ensure that all papers are marked within the given timeframe.
4. **Confidentiality:** Maintain the confidentiality of the students' work and the results until they are officially released.
5. **Feedback:** Provide constructive feedback on the students' performance. This can help students understand their strengths and areas for improvement.

Principal
Bharati Vidyapeeth
College of Architecture
Belpada Complex, Opp. Kharghar
Rly. Station, C.B.D. New Mumbai

6. **Dispute Resolution:** If a student disputes their marks, review their paper again carefully.
Discuss the issue with the exam head or exam team member
7. **Professional Conduct:** Maintain professional conduct at all times. This includes avoiding any form of bias or favouritism

**Names and signatures of those who prepared and approved the
Procedures outlined in the SOP**
