3.3.1: Extension activities are carried out in the neighborhood community, sensitizing students to social issues for their holistic development, and impart thereof during the year.

Description:

In its continuous effort to contribute towards the welfare of the society, Bharati Vidyapeeth College of Architecture, Navi Mumbai organizes and participates in various extension activities at neighbourhood level every year. All the students, teaching staff, non-teaching staff and locals are encouraged to actively participate in these activities.

The **Blood Donation Drive** encouraged staffs, students and locals to donate blood, contributing to saving lives. On **International Yoga Day**, participants embraced wellness through yoga, strengthening both body and mind.

Environmental consciousness took center stage with the **Reuse, Reduce, Recycle** campaign, urging people to minimize waste and adopt eco-friendly practices. The **Tree Plantation Drive** contributed to a greener future, while the **Eco-Friendly Idol Making** workshop promoted sustainable festivities. The **Plastic Waste Management & Collection Drive** tackled pollution through collective action.

Cultural activities included **Dance** and **Nukkad Natak**, bringing the community together through performances. The **ART Stories** and **Music-Instruments & Singing** events highlighted local talent, while the **Karaoke Singing** added fun and entertainment. **Games** and the **Marathon 2023** encouraged active participation and healthy competition. The **Velas Village Project** and **Udaipur Project** focused on rural development.

This helped many participants to attain holistic development in their life.

EXTENSION ACTIVITY

Title of Activity: Blood Donation Drive
Organized by: BVCOA, Navi Mumbai & Rotary Club
Academic Year: 2023-24

Objective	The objective of blood donation drives is to save lives, raise awareness, promote community engagement, and improve public health by encouraging voluntary blood donations and ensuring a sustainable supply of blood for those in need.
Date/Duration of the Activity	01 July 2023 10.00am to 4.00 pm (6 Hrs)
Venue	Indoor: BVCOA Seminar Room
Branches	B. Arch & B. Voc
Coordinator / Program In-charge	Prof. Satish Dhale
Supporting Staff Members	Ar. Tejesh
Students Attended	12
Brief about the Activity / Event	BVCOA Seminar room was allotted for the event. The drive was organized by BVP Dental Institute with Navi Mumbai Rotary Club. Students from our campus and other departments participated in the event. A few locals and parents also participated in the event to donate their blood. More than 50 people participated in the drive.
Outcome	The outcome of a blood donation drive is measured not only by the number of blood units collected but also by the broader impact on community engagement, awareness, and support for voluntary blood donation.
Remark	Students and staff members actively participated in the event. A large number of students from other departments and locals from the neighborhood area also participated in the event. To be conducted next year.

EXTENSION ACTIVITY

Title of Activity: Eco Friendly Idol Making
Organized by: BVCOA, Navi Mumbai
Academic Year: 2023-24

Objective	To create awareness about use of natural dyes and organic materials in eco-friendly idols making.
Date/Duration of the Activity	15 September 2023 1.00 pm – 7.00 pm (6 hours)
Venue	Indoor & Outdoor – BVP Campus
Branches	B. Arch & B. Voc
Coordinator / Program In-charge	Prof. Satish Dhale
Supporting Staff Members	Ar. Tejesh
Staff Attended	12
Students Attended	62
Brief about the Activity / Event	The students and the institute took the initiative to celebrate the Ganesh festival in an eco-friendly way. Eco-friendly idols are made from natural materials like clay, paper mache, and natural dyes, which reduce the release of harmful VOCs into the air during the crafting process. When an eco-friendly Ganpati murti is submerged in water, it won't pollute the water body. Materials such as chocolate, soil, and paper mache do not end up in landfills or clog our water bodies when submerged in water. For this activity, the institute provided materials and space to students and guests. The activity was done in groups as well as at individual levels. The final output was collected and taken home by those individuals. Through this process, we created awareness about the use of eco-friendly materials.
Outcome	This activity helped to contribute a small step towards a sustainable future.
Remark	Students, Teaching, Non- Teaching staff and locals contributed to this drive. It was a successful event for a greener future. To be conducted next year as well.

Brief about the Activity / Event	<p>Entrepreneurial skills can be cultivated through the art world, offering artists opportunities to develop business acumen while scaling their creative endeavors. Firstly, artists learn the importance of self-promotion and marketing, honing skills in branding, storytelling, and digital engagement to reach wider audiences. Additionally, managing finances becomes crucial as artists handle budgeting, pricing strategies, and financial planning to sustain their practice and invest in growth. Through this intersection of art and entrepreneurship, artists not only thrive creatively but also build the foundation for sustainable and impactful careers.</p> <p>The program focused on sales of art made by the students. Through the event, students managed to sell their art and generate revenue through sales. The event also gave the students a platform to promote their skill sets to the world.</p>
Outcome	Through this intersection of art and entrepreneurship, artists not only thrive creatively but also build the foundation for sustainable
