SOLAR ENERGY

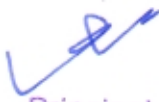

Provision of solar Panel at Hostel

Description:

Bharati Vidyapeeth College of Architecture, Navi Mumbai Campus greatly emphasizes on the use of Renewable energy like the use of Solar Panel. Hence extensive use of solar panels and provision of a water Boiler has been provided in the girls and Boys hostel. There is a provision of Hot and Cold water for the students in the common Toilet. This will reduce the load on grid electricity consumption. This was installed approx. 20 years back in 2003 and since then Bharati Vidyapeeth has been keen on providing Solar panels for our other buildings

7.1.2	Use of LED bulbs/ power efficient equipment
Description: <p>Since the last 2 years our Institute has been investing in lower power consumption LED Bulbs and tube lights. A 200 W light of 3 numbers is placed at the entrance. Occasionally, students related activities are conducted outside and in the Courtyard beyond 7pm. Hence, LED flood lights are used.</p> <p>At the Interior 18 W LED Tube lights and 15 W LED surfex panel lights are provided at the entrance. Approximately 50 LED lights are provided for energy saving at various locations like classroom, Library, Seminar, Administrative, Exam Section etc.</p>
