Points discussed in the meeting are as follows:

Item 1 : Academic Audits for Semester I of A.Y 2020-21

Resolution :World is fighting against Covid-19 pandemic. Education sector must prepare for this in order to provide quality education. To get ready with this institute has planned online faculty development workshop on E- content development. Based on this IQAC scheduled academic audit of e-contents developed by faculty in terms of video lectures and practicals of various courses to be conducted during semester -I of academic year 2020-21 in 2nd week of June.

Item 2 : Organization of Parents meet

Resolution :Parents are prime stake holders of institute. To keep a proper synchronization with students, parents and the institute it is necessary to interact with parents frequently and take feedback about the institute. In situation of Covid-19 pandemic students are learning through online education system. Hence the way of delivery of study contents is online. Institute decided to plan online parent meet in fourth week of July to take feedback about this online teaching learning.

Item3 : Organization of value added program for students

Resolution :To increase the awareness of latest technologies in students it is decided to organize value added programs at all departments in terms of workshops, seminar, industrial visits etc.

Item 4 : Organization of Training activities

Resolution :To enhance placement of students Principal suggested Training Placement officer Mr. M S Sonawane to plan Training activities for students.

The meeting ended with the thanks by chairperson to all members for their active involvement in enhancing the quality of the Educational Programs in Bharati Vidyapeeth's College of Engineering, Kolhapur.

4.	Moodle	16/8/2018
5.	Review of midterm syllabus coverage(Two month)	25/8/2018

Item 2: Implementation of moodle for academic efficiency at all departments

Resolution:It is a free and open source learning system. This can enhance existing learning environments. For betterment of students, previous question papers, notes, manuals are uploaded. It can be accessed by all students wirelessly. Only the faculty can upload informative material. Mr. P A Patel shall be the coordinator for moodle implementation.

Item 3: Planning for Parents meet

Resolution:To keep a proper synchronization with students, parents and the institute it is necessary to invite all the parents to the institute during parents meet. Conveying of student's attendance, test marks and general behavior of the student to parents should be the objective of this parents meet. It is decided to organize parents meet in all departments during the second week of August 2018.

Item 4: Appointment of external training agency for soft skill development to BE students to improve placement ratio.

Resolution:For students, not only their resumes, but recruiters look for in potential. To increase placement ratio of our college, the soft skill development program is organized for the betterment of body language, writing skills, public speaking skills of students by Sanir Kittur. Taking these steps to improve skills, it will provide the institute more productive environment. Training Placement Officer Mr. M S Sonawane is suggested to plan for the schedule for Soft skill training.

Item 5: Plan for FE induction program

Resolution:Purpose of the student induction program is to help new students adjust and feel comfortable in the new environment , inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self -exploration. FE induction program is planned on 1/8/2018.

Item 6: Organizing workshops and FDP's on latest technologies

Resolution:To increase the awareness of latest technologies in students and faculties it is of prime importance to organize and also participate in various workshops related to latest industry oriented trends. Hence all the departments collectively agreed to host at least one workshop from the respective department.

Some of the topics were identified for the conduction of the FDP's as given below.

- Project development based on Arduino Boards
- ERP software in Construction Industry in Civil department
- Study of various software in Civil Engineering
- Seminar on GATE coaching

Other departments agreed to give the names of various workshops to be conducted once identifying the requirements.

13	Coordinator of the IQAC	Dr. J.K. Patil Associate Professor, Department of Electronics and Telecommunication Engineering		

Following members could not attend the meeting and informed earlier:

1. Industrialists Nominee: Mr. B. S. Shimpukade
2. Students Nominee: Ms. Bhagasri S. Jankar
3. Alumni Nominee: Mr. Kiran Patil

Points discussed in the meeting are as follows:

Item 1: Review of Quarter 1 meeting actions

Resolution: The actions discussed in the Quarter 1 meeting were reviewed and pending actions were discussed for completion.

Item 2: Submission of AQAR for current year to NAAC.

Resolution: All the heads of the department are instructed to provide relevant information relating to AQAR report. IQAC coordinator Dr. J K Patil is suggested to complete the process of AQAR updating on NAAC website.

Item 3: Planning for celebration of Engineers day

Resolution: The Engineering Community across India celebrates Engineers Day on 15 September every year as a tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya. Celebration of Engineers day is agreed by inviting a resource person as guest to address the students and faculty.

Item 4: Encouraging faculty to attend conferences and workshops to increase publications.

Resolution: IEEE conferences provide a great opportunity to network. Often competitors from other regions of the country can become valuable resources for referrals and best-practices.

Attending a seminar has numerous benefits, including improving communication skills, gaining expert knowledge, networking with others and renewing motivation and confidence.

All the faculties were instructed to work on at least one research paper to be published in reputed journals per semester.

Item 5: Plan for industrial visits in all departments.

Resolution: Industrial visit has its own importance in a career of a student who is pursuing a professional degree. It is considered as a part of college curriculum and objectives of industrial visit is to provide students an insight regarding internal working of companies. We know, theoretical knowledge is not enough for making a good professional career. With an aim to go beyond academics, industrial visit provides student

a practical perspective of work. Heads of the department are informed to identify industries relating to their curriculum and plan for industry visits in the next coming semester.

Item 6: Planning for promoting research activities

Resolution: Writing the research proposal is very important before actual conducting of any research. Because research is a team work and you have opinion of others if it is in written form. Research team coordinator Mr. S S Pawar is instructed to organize workshops related to research proposal schemes and also on art of research paper writing. Also a workshop needs to be conducted to understand various course outcomes and mapping of objectives.

Item 7: Plan for summative feedback

Resolution: Effective feedback, both positive and negative, is very helpful. Feedback is valuable information that will be used to make important decisions. As feedback is an essential part of effective learning, it helps students understand the subject being studied and gives them clear guidance on how to improve their learning. Mr. Pramod Kharade sir is instructed to plan for feedback slots at various departments.

Item 7: Plan for NIRF form submission

Resolution: Mr. V S Mandlik sir is told to collect updated statistics from all the departments and NIRF form shall be updated for the current year.
