BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING, KOLHAPUR

- **Organizing Department** : Computer Science & Engineering
- **Name of Activity** : Two days **Faculty Development Program** on topic
“Advanced SQL and NoSQL Databases”
- **Date of Activity** : 27th Nov. & 28th Nov. 2021
- **No. of Participants** : 50
- **Participants from** : Faculties and Final Year Students of B. Tech. CSE
- **Resource Person** : Mr. Prasad Potdar,
Backend Developer at StepSetGo Company.
- **Details of Activity** :

Two days **Faculty Development Program** on topic “Advanced SQL and NoSQL Databases” was organized from 27th Nov. to 28th Nov. 2021. It is arranged by considering revised syllabus of final year B. Tech. for Advanced Database Systems subject. So, all faculty members those who are teaching subject Advanced Database Systems along with final year students of CSE participated in the workshop. The main agenda for the workshop was to train the faculty members for teaching the subject in practical oriented manner and to let the students familiar with the new technologies introduced in the subject. Detail information about SQL and No SQL databases was shared by Mr. Prasad Potdar with the participants. He had given a very good exposure to all these tools with real hands-on training in the online mode. He also provided all necessary software to install these tools. Each session was followed by a question-and-answer session and Mr. Prasad Potdar responded well for the queries raised by the faculty and students.

In the workshop following points were covered:

1. Basics of SQL
2. Advanced SQL
3. Postgrey SQL
4. MongoDB
5. CouchDB
6. NodeJS

- **Outcome of Activity :**

- Faculty and Students learnt to execute various SQL queries on MYSQL, Postgrey SQL Databases.
- They were able to execute different commands based on No SQL databases.
- Technical staff (Non-Teaching staff) understood about the installation and configuration of various SQL softwares such as SQL server, SQL workbench, MongoDB, CouchDB.
- Following faculty members participated successfully in the workshop.

- 50 students of final year B. Tech. took the benefit of this workshop.

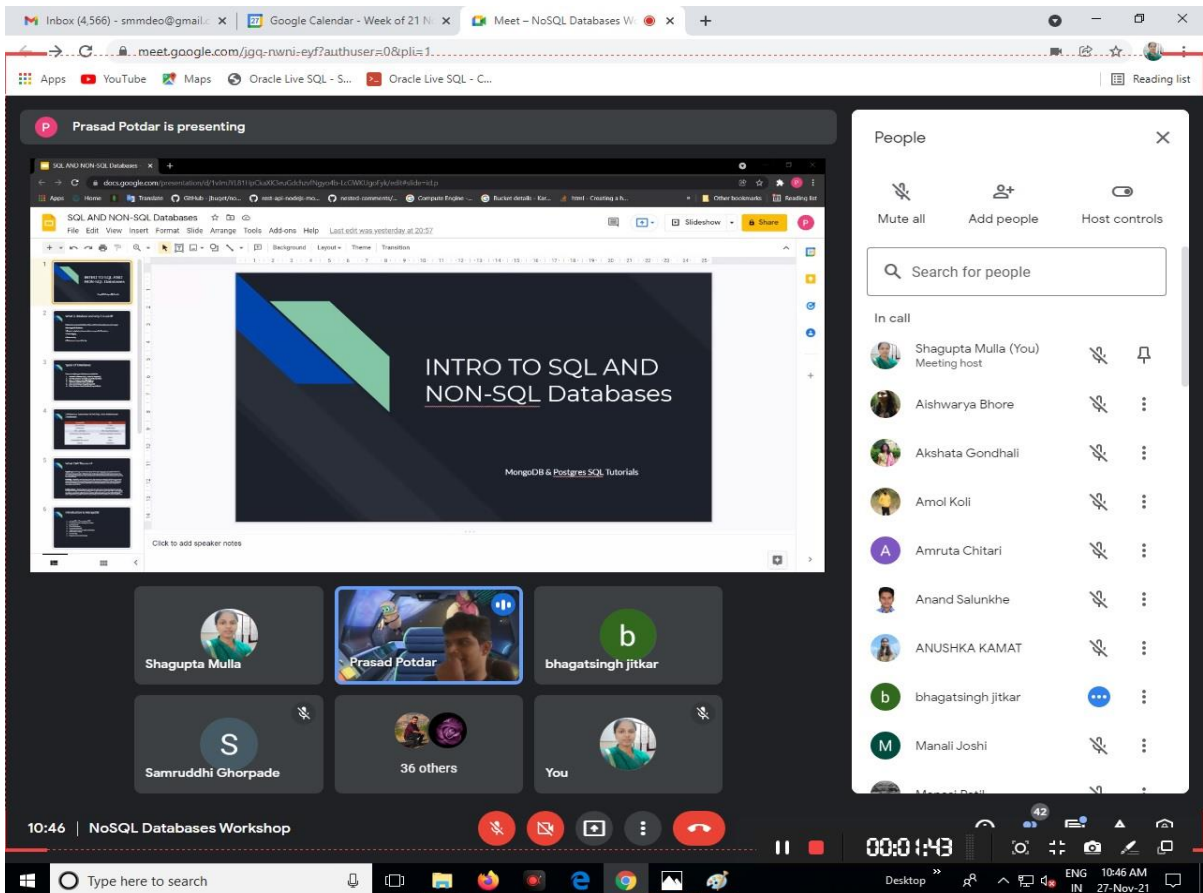

- **How it Bridges gap between Industry and Academia:**

This workshop was intended to give faculty and the students the knowledge about latest trends in database software. NoSQL database system encompasses a wide range of database technologies that can store structured, semi-structured, unstructured, and polymorphic data. So, students got good opportunity to understand about NoSQL within these two days online workshop. Also, Students got ideas about how to use it in final year project implementation.

Dear Sir,

On behalf of Bharati Vidyapeeth's College of Engineering, Kolhapur, we wish to thank you for the valuable contribution you made at the two days workshop on "Advanced SQL & NoSQL databases" from 27th Nov 2021 to 28th Nov.

The feedback we have received, the program was a great success.

We appreciate the time you took out of your busy schedule to join us and thank you for sharing your insights and expertise with our attendees. Your willingness to volunteer your time, energy and support is greatly appreciated. We also hope to have your association with us in future.

Again, many thanks for your time and effort.

Sincerely,

Mrs. S. M. Mulla

Bharati Vidyapeeth

Bharati Vidyapeeth Pune is the parent body of Bharati Vidyapeeth College of Engineering Kolhapur. Bharati Vidyapeeth one of the largest networks of education institution in India established by Hon'ble Dr. Patangrao Kadam in 1964 at Pune. Bharati Vidyapeeth has achieved it's new height of success under the guidance and leadership of Secretary Dr. Vishwajeet Kadam. Bharati Vidyapeeth has campuses across the country at New Delhi, Navi Mumbai, Sangli, Pune, Solapur, Karad, Satara, Panchgani and Kolhapur and also has overseas campus at Dubai and USA. Bharati Vidyapeeth has total 187 institute which includes Medical, Nursing, Pharmacy, Law, Biotechnology, Engineering, Management, Hotel Management, Agricultural, Pre Primary to Higher Secondary School and more. 1996 was the moment of crowning Glory in the life of Bharati Vidyapeeth as Govt. of India on the recommendation of UGC granted the status of "Deemed to be University" in appreciation of their academic excellence.

Bharati Vidyapeeth College of Engineering

College started in the year 2001 with Computer Science and Engineering, Electronics and Telecommunication Engineering. New branches namely Mechanical Engineering were added from 2006-2007 and Civil Engineering from academic year 2011-2012, Computer Science & Engineering (AI & ML) from 2021-22 all with an intake of 60. The Bharati Vidyapeeth college of Engineering is a private, self financing institution. The institute is approved by DTE, AICTE and is affiliated to Shivaji University, Kolhapur. Institute is accredited by NAAC with grade A. College also provide platform to develop the students in overall aspects

About the Department

The Department of Mechanical Engineering was established in 2006 and is offering B. Tech. and M.Tech. in CAD/CAM/CAE. The department has qualified and experienced staff and well-equipped laboratories with the state-of-the-art facilities. Students of the department have added value to the department by getting placed in reputed core and software companies and by excelling in competitive examinations.

About the FDP

NANOTECHNOLOGY playing a very vital role in multidisciplinary approach to create many new materials and devices with a vast range of applications, such as in Defence, Aerospace, Automobile, Nanomedicine, Nanoelectronics, Biomaterials, Energy, Production, Consumer products etc. This FDP will create awareness among the Faculties, researchers and students to know methods of synthesis, characterisation, and applications of NANOTECHNOLOGY.

Subject: Regarding one week online FDP & STTP

Dear Sir,

Department of Mechanical Engineering of our college is planning to organize "One week FDP and STTP e on "NANOTECHNOLOGY: Synthesis, Characterization and Applications of Nanomaterials in Engineering & Science" between 17th Jan. 2022 to 22nd Jan.2022 for faculties, students, researchers and industry person under the LEAD College concept, Shivaji University with association of ISTE, Delhi.

This FDP & STTP aims to concentrate on measure areas of fundamental research and applied research in Nano fibers , Nano energy, Pharmaceutical nanotechnology including aspects of Chemistry, Physics as well as Material science and Engineering. FDP & STTP intends to provide a measure reference source of comprehensive basic and applied knowledge in areas of nanoscience, Nano Engineering and Nanotechnology. This FDP & STTP helps to understand NANOTECHNOLOGY: Synthesis, Characterization and Applications of Nanomaterials in Engineering & Science. The link will be made available to all participants.

We request you kindly allow us to arrange one week FDP & STTP in association with ISTE.

Thanking You.

- **Organizing Department: Training and Placement**

- **Name of Activity** : Startup Incubation by OPex Kolhapur and Singapore Polytechnic.

- **Date of Activity** : 16/7/2019

- **No. of Participants** :125

- **Resource Person** : Mr.Sachin Kumbhoje

Details of Activity : To incubate startup culture and give support to entrepreneurship among engineering student we have arranged two hours workshop on how to start a startup and its registration process, with available funding opportunities.

There are many startup incubator companies who are giving handholding support to such technological startups, in our Kolhapur city we have tie-up with Opex Startup Incubation Center and this organization is connected with Singapore Polytechnic for conducting courses and activities for budding entrepreneurs.

Outcome of Activity : Student Awareness of Entrepreneurship and Startup Culture.

- **How it Bridges gap between Industry and Academia:** Engineering Passout student have more inclination towards jobs, as job market getting tougher day by day, we have to prepare Job givers rather than Job Searchers .This Program gives confidence to student to start their own startup.

To:*Greetings from OpEx StartUp Accelerator!*

We are Officially Listed StartUp Accelerator at Government of India's StartUp India Portal. We are the First and Only StartUp Accelerator in Western Maharashtra and working closely with all the Stakeholders of StartUp like Government of India, Incubators, Accelerators, Investors & Institutions to achieve common goal of creating sustainable and scalable StartUp Ecosystem.

Since Year 2017, we have successfully executed 09 National Level StartUp Events at various Institutions to aware the Students and Professionals about StartUp & Entrepreneurship Opportunities. We have now initiated 'StartUp Talk Series' in association with Jugaad Funda Innovations LLP, Singapore Polytechnic, and DeAsra Foundation to be addressed at multiple institutions in this month. Through this Talk, we are delivering StartUp Stories and Case Studies of Incredible StartUps which stands as Foundation to Indian StartUp Ecosystem. This Talk will also going to brief students about our Singapore Polytechnic & Industry-Readiness Online Courses which will help them to concrete their career.

Please note that, this StartUp Talk does not involve any kind of commercials for the speakers. We would require your auditorium so that we can address all the students of campus in multiple batches. **Kindly approve the same and allot us the suitable date in between 11 July to 22 July 2019.**

Hope to connect with your campus to facilitate StartUp Ecosystem.

Subject: Invitation as Expert Lecture for Model Rocket Designing, Development & Launch

Dear Sir,

On behalf of Electronics & Telecommunication Department from Bharati Vidyapeeth's College of Engineering, Kolhapur, I am very pleased to have the honor of inviting you to deliver an Expert lecture as a part of Academic activity. We would like you to speak on "Model Rocket Designing, Development & Launch".

We have arranged the Expert lectures on 29th January 2020 in seminar hall of Electronics & Telecommunication Department. We hope you can make time in your busy schedule. Your thoughts would enable our student to gain knowledge from your expertise and experience.

Thanking You,

- **Resource Person** : Dr. Bagwan Ghute, Dr. Dattta Sawant, Mr. Dhanaji Patil
Assistant Professor, Toshiwal Arts, Commerce and
Science College Sengaon, Dist: Hingoli

- **Details of Activity:**

Dr. Bagwan Ghute, Dr. Dattta Sawant, Mr. Dhanaji Patil, Assistant Professor, Toshiwal Arts, Commerce and Science College Sengaon, Dist: Hingoli were resource person of the Faculty Development Programme. All registered Participant were present. Workshop was started with Welcome Speech by Mrs. S. M. Mulla, Respected principal Dr. Vijay R. Ghorpade sir had delivered his thoughts on importance of E- content Development for Faculties to boost their skills. Mrs. S. M. Mulla - Head of CSE dept., introduced profile of the trainer and gave brief exposure to use of Video creating softwares. Also she explored the use various software of the FDP.

Resource Persons taught use of following Softwares of E-Content Development during Programme.

- A-Powersoft
- Movavi screen recorder
- Screen Cast
- Filmora

- All faculty members of the department were also present for the inaugural function which is conducted online using google meet. Programme was organized from 5th June 2020 to 10th June 2020. Total 100 faculty members as well as non-teaching/ technical staff participated in this Faculty development Programme

- **Outcome of Activity:**

Faculty members were participated in sessions of 5 days hands-on-workshop on “E-Content Development” which covered the topics like How to create Video using Various softwares. Hands-on for the different Softwares of video editing was done during 5 days of workshop. Trainers have delivered good contents to Create and edit the videos which help all the faculty members to make good quality videos which will be helpful to the students to get the concept. Tests were conducted on all five days of programme which helps faculty members to improve their knowledge and clear their doubts.

- **How it Bridges gap between Industry and Academia:**

Being a knowledge platform, they believe in sharing their domain expertise through our workshop programs. Knowledge of Various Video editing softwares were given by trainers which is helpful to learn new things going on in industry. So it is helpful to bridge the gap between Industry and Academia.

It is great pleasure to Vote of Thank for taking time out of your busy days to visit Bharati Vidyapeeth's College of engineering, Kolhapur to share your expertise with Post Graduate and B.E. students on 22th and 23rd February 2018. The students gained valuable theory and practical modules insight into workshop on "3D Printing Technology". We hope it was a positive experience for you as well. The information you shared was very enlightening. We had great feedback on your presentation and hands on training.

Again, my sincere thanks to support this important research encouragement activity.

Thanks and Regards,

Patil
