

17. Workshop on "Excellent Bytes"

Workshop on "Excellent Bytes" was organized by Student Association and Training cell of Bharati Vidyapeeth's College of Engineering for women, Pune for Third year (TE) and final year (BE) students of Departments of Electronics and telecommunication, Computer engineering and Information technology. The webinar was organized under AICTE-SPICE grant on 11th February 2022. The speaker of the webinar was **Mr. Aashish Jain** from **Carpe Diem Boot Camp**.

Our college has got the AICTE: Scheme for promoting interests, creativity, and ethics among the Students i.e., SPICES grant under the coordination of Prof. Dr. S.R. Patil sir, Principal, Bharati Vidyapeeth's College of engineering for women, Pune and Dr. V.R. Pawar, Associate Professor, Electronics and telecommunication Department

The first session of workshop started with the welcome speech by student member, Ms. Tanushree Desai of TE then Prof. S. T. Khot, Training cell coordinator gave introduction of training cell followed by Dr, V. R. Pawar who has given the information about SPICES grant. Then student member, Ms, Adya Pathak gave brief introduction of Our guest speaker, Mr. Ashish Jain. After this, Prof. Dr. S.R. Patil sir, Principal gave speech which includes Bharati vidyapeeth's brief introduction, organization information, role of different cell in organization, importance of co curricular activities along with academics.

Workshop started with very beautiful interaction of speaker and students with the use of chat box. The session further followed by a brief on the self or one's desires, dreams, passions and motivations. The speaker interacted with students for each point, taken input and gave the tips on how to increase their self esteem, boost confidence and how one can excel in any area like coding, communication skill etc. Students were encouraged to be optimistic and have a positive approach about everything in life.

The next session of workshop was focused on discussion about some strategies of time management, goal setting, self control, planning, execution, distraction overcoming which was very useful and session about etiquette was very informative.

Most importantly, it was emphasized that students should love themselves and never lose confidence in achieving goals. The session was ended with very many feedbacks given by students and staff members and lastly vote of thanks was given by student member, Ms. Preeti Vishwakarma.

14. Webinar on "Resume Writing Skills"

A webinar was Organised on Topic "Resume Writing Skills" on 22th Oct 2021, Friday from 4:00 to 5:00 pm for students of Second year and Third year using Microsoft Team Platform on online mode under AICTE-SPICES of BVCOEW. The webinar was conducted by Prof. Dheeraj Ghanshyamdas Agrawal, Dean Industry Institute Interaction and Training and Placement Officer, Dr.D.Y.Patil Institute of Technology, Pimpri, Pune

Our college has recently got the AICTE: Scheme for promoting interests, creativity, and ethics among the Students i.e., SPICES grant under the coordination of Prof. Dr. S.R. Patil sir, Principal, Bharati Vidyapeeths College of engineering for women, Pune and Dr. V.R. Pawar mam, Associate Professor, Electronics and telecommunication Department who has given the information about SPICES grant.

Anchoring of the program was done by Prof. P.R. Yawle E&TC Department. Webinar started with the welcome speech by Prof. Pranoti Kale, Training and Placement officer, BVCOEW, Pune. The speaker's introduction was given by Ms. Shruti Singh of SE E&TC Student.

Prof. Dheeraj Ghanshyamdas Agrawal, resource person of the webinar, The speaker spoke about importance of resume writing. He then showed some Resume hidden messages for our better understanding, then he explained the format of resume writing along with giving a brief introduction of each and every point that are mentioned in the resume such as the header, projects, education qualification, strength and extra-curricular activities. Action plan useful for placement preparation. At the end Questions were asked from students and Prof. Sandip Magdum sir answered them. Finally vote of thanks was given by Himani Bire, Student SE ENTC.

Report of webinar on "**SPOKEN ENGLISH**"

25TH November 2021

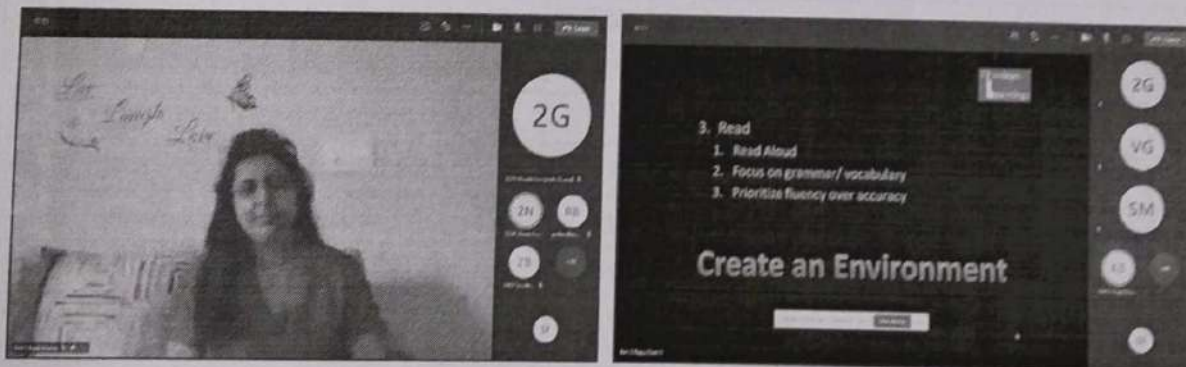

A webinar on the topic "**SPOKEN ENGLISH**" by Ms. Kirti S. Bajaj, was held for the students of SE-IT on 25TH November 2021.

Webinar started with the welcome speech and introduction of the speaker. Then Ms. Kirti S. Bajaj addressed the students by telling about the importance of spoken English. She very nicely explained the role of it.

Furthermore, Ms. Kirti S. Bajaj helped students to get how they can work on their English. She also told about how to gain confidence while speaking. Besides, she also told about their success story and what problems they faced which was very motivational.

Webinar was very informative and students learnt a lot. At the end of the webinar Shailaja proposed a vote of thanks and the session ended on a happy note.

About Gymkhana: -

Bharati Vidyapeeth's College of Engineering for Women, Pune has a separate section for Gymkhana for the physical fitness of the students. All the necessary sports equipment's are provided to the students. Students are encouraged to participate in various sports activities at the college and University level. Our college organizes various events such as webinars, chess competition, Pune city zone intercollegiate basketball Men/Women competition, Yoga Day, Fit-India celebration, physical skill test for First Year students and annual sports week every year. The winners are felicitated at annual social gathering.

Vision:

To develop positive attitude in students with positive actions

Mission: -

To create leaders, mentor students and teach human values, with healthy minds

Goals: -

- To develop physical and mental fitness
- To spread awareness of sports in the pursuit of a healthy and active lifestyle at the college and beyond
- To develop leadership skills, healthy competition, trust and responsibility while in group
- To develop self-esteem and self-confidence through positive sporting experiences

16. Workshop on "Electronic Skill Development"

A 3-day workshop on "Electronic Skill Development" was organized by Electronics and telecommunication Department, in Bharati Vidyapeeth's College of Engineering for women, Pune for second year (SE) students of departments of Electronics and telecommunication. The webinar was organized under AICTE-SPICE grant in collaboration with CopperCloud IOTech Pvt Ltd, from 31st January 2022 to 2nd February 2022. The speaker of the workshop was Abhijeet Deogirikar, the Founder & CEO of CopperCloud IOTech, joined by Yogesh Yewale and Brigadier Vilas Deogirikar.

Our college has recently got the AICTE: Scheme for promoting interests, creativity, and ethics among the students i.e., SPICES grant under the coordination of Prof. Dr. S.R. Patil sir, Principal, Bharati Vidyapeeth's College of engineering for women, Pune and Dr. V.R. Pawar mam, Associate Professor, Electronics and telecommunication Department.

On 31st January 2022, the session began at 10:00 am. Firstly Shruti Singh, Student SE ENTC, welcomed invitees to the workshop followed by Saraswati Pujan. Then Prof. Dr. S.R. Patil sir then gave the inaugural speech and a short introduction of the webinar topic. Next Prof. K.R. Chaudhari ma'am, Event coordinator, gave the introduction of guest the speaker. After that, Speaker, Abhijeet Deogirikar sir started the workshop by giving us an overview of the contents of the workshop and also general electronic related topic information, hence building our interest in the workshop from start. Next the speaker stated out various recent trends in the field, told us about various tools we will be using around 3 days such as: Arduino IDE, Multisim and Express PCB. Then he taught us about the Electronic Components and connections and also bread boarding. He then gave the introduction and applications using Arduino. He then moved forward to cover the topic- Using sensors and actuators and their interfacing with Arduino such as Motor driver with relays, reversible motor ad SSR). After an hour lunch break, Yogesh Sir then taught us about, using simulation software for design and testing of electronic devices on Tinker CAD for our better understanding. After this day 1 of the workshop was concluded by question and answers session.

On 1st February 2022, sir started the session by fir clearing he doubts of any students of previous lecture and then moved to the next topic of day- Drawing layout of PCB using PCB design software. He then covered various topic revolving PCB such as Single layer PCB design for a

simple electronic circuit. After an hour lunch break, Yogesh Sir then again taught us about, using test equipment for testing, fault finding and repair etc. Then Abhijit sir continued with discussion on assembling and utilizing mechanical parts such as DC motor, AC motors, sensors etc. he then continued teaching us use of various types of parts and surfaces mounted devices parts, work to correct sequence and tolerance and accurately solder components to comply with industry standards. This session was also concluded by question and answers session.

2nd February 2022, Abhijeet sir started the session by topic- Study and use of various types of batteries followed by Calculation of Power budget for and electronic circuit. Then he taught us by practical demonstration of how to bring all these skills, tools and techniques together for building and electronic system. He then gave us industry exposure and also on overview and demo of IOT and lastly a question-and-answer session then concluding the three-day workshop. All the Q&A sessions were interactive with students asking the speaker on various aspects of what was taught. At around 16.00 pm the webinar ended and a vote of thanks was delivered by Prof. K.R. Chaudhari ma'am.

Brief Report of Activity

Training Demos from various companies was organized in Bharati Vidyapeeth College of Engineering for women for Fourth Year in the month of July. The companies who were part of the demos are Nachiket Joshi, Ethnus, FACE, Edufunda, Talentio, ConduiraOnline, Seventh Sense and Profound.

In the training demos the instructors gave some information of aptitude and technical sessions and how they will be covering the portion. The syllabus was explained in short.

Briefing about every company:

Nachiket Joshi - This session was conducted on 17 th July at 3PM where the instructor Nachiket Joshi firstly introduced himself and told about his achievements. Then on the students' demand he taught us the percentage topic.

Edufunda - This session was conducted on 19 th July at 10 AM where the instructor Vikrant Sukhtankar explained the company pattern for Aptitude and Interview round. In the session he solved some examples of aptitude and then explained to us the process of personal interview.

FACE - The session was conducted on 20th July at 10AM where the instructor explained to us some examples of aptitude and verbal questions. Also he showed some tricks about how we can solve the question in minimum time.

ConduiraOnline - The session was conducted on 20 th July at 2 PM where the instructor Mohamed Abdulla introduced himself and then he explained how practicing Aptitude will be helpful for our placement.

Profound Edutech - The session was conducted on 20 th July at 4 PM where the session started with the introduction of the company and then the instructor Ms. Priti showed us the demo on Python programming.

ETHNUS - The session was conducted on 21th July at 10 AM where the session started with the information about the company and its certification program. Later in the session the Instructor gave the demo on Python and JAVA.

Seventh Sense - The session was conducted on 21th July at 12 PM the session was a youtube live where the instructor Vinod Prabhu solved some examples from aptitude with students interaction.

Talentio - The session was conducted on 21th July at 2 PM the session started with the introduction about the company. In the session the instructors Hema and Lavanya explained the technical and non-technical syllabus of both service based and product based companies.

Below is the summary for every session

| Company | Instructor | Date | Time |
|------------------|--------------------|------------|-------|
| Nachiket Joshi | Nachiket Joshi | 17/07/2021 | 3 PM |
| Edufunda | Vikrant Sukhtankar | 19/07/2021 | 10 AM |
| FACE | | 20/07/2021 | 10 AM |
| ConduiraOnline | Mohamed Abdulla | 20/07/2021 | 2 PM |
| Profound Edutech | Priti | 20/07/2021 | 4 PM |
| ETHNUS | | 21/07/2021 | 10 AM |
| Seventh Sense | Vinod Prabhu | 21/07/2021 | 12 PM |
| Talentio | Hema,Lavanya | 21/07/2021 | 2 PM |

Bharati Vidyapeeth's College of Engineering for Women

Department of Computer Engineering

Computer Engineering Student Association (CESA)

Workshop on "Data Structure And Algorithm"

Brief Report of Activity

Workshop on "Data Structure And Algorithm" was organized in Bharati Vidyapeeth's College of Engineering for Women for Third year and Fourth year Computer Engineering students by Computer Engineering Student Association (CESA) on 24/08/2021 and 25/08/2021. This Seminar was conducted by two speakers Mr. Swapnil and Mr. Shantanu Shubham. The webinar was conducted successfully in the valuable presence of H.O.D, Prof. D.D. Pukale and CESA coordinator Prof. J. D. Jadhav.

The workshop was held on two days 24th and 25th August .On the Day 1 of the workshop the speaker was Mr. Swapnil. He started with what is data structure and why we need it. After making us realize the importance of the data structure he started with explaining very basic concepts that we are bound to skip on like primitive and non primitive data structure , Asymptotic Notation . He then took us over the various data structure the Array, Linked List, Stack , Queue. He also taught us about calculation time complexity of a block of code efficiently. Overall the Day1 of the workshop was very informative .

On the Day 2 of the Workshop we had Mr. Shantanu Shubham as the speaker. On Day 2 of workshop we discussed on certain important topic like relevance of Data structure and algorithm for software development, How much maths contributes in effective learning of data structure and algorithm. He gave a road map for Data structure and Algorithm. The workshop was a quick revision and brush up of the basic concept of Data structure.

The Webinar was really beneficial as we came to know various importance of Data structure in the software development . Various concepts of data structure got brushed up. The Webinar was very interesting, informative and interactive.

Bharati Vidyapeeth's College of Engineering for Women

Department of Computer Engineering

Webinar on Blockchain Technology

Brief Report of Activity

Webinar on "Blockchain Technology" was organized in Bharati Vidyapeeth's College of Engineering for Women for Third-year and Second-year Computer Engineering Under the CESA. The guest speaker for the session was SANDEEP SINGH on 16/09/2021. Sandeep Singh who An Open-Source enthusiast who writes code out of the profession and loves to engage in tech communities out of passion. The seminar was conducted successfully in the valuable presence of Prof.J.D.Jadhav.

The program started with the welcome speech and introduction of the speaker by Student Miss Sukhpreet Kaur. Mr. Sandeep Singh then started his presentation on 'Blockchain Technology'. He started the webinar with explaining us the importance of data bases, What they do and why they are important. He took example of youtube and google to explain us the importance of data bases and how huge amount of data is manages with massive servers. With this he then started explain us what block chain is and how it works. He explained us the importance of blockchain in this evolving technology. He also explained what decentralized system is and how is it important.

The Webinar was concluded with a sincere vote of thanks by Student Miss. Dhanashree Pawar. Overall, it was really beneficial as we came to know about the importance of Blockchain.

Bharati Vidyapeeth's College of Engineering for Women

Department of Computer Engineering

Computer Engineering Student Association (CESA)

Webinar on "Microsoft Azure ML certification"

Brief Report of Activity

Webinar on "Microsoft Azure ML certification" was organized in Bharati Vidyapeeth's College of Engineering for Women for Second year and Third year Computer Engineering and Information Technology students by Computer Engineering Student Association (CESA) on 22/09/2020. This Seminar was conducted by Mr. Manish Kumar Singh who is presently the Head of (Institutional Collaborations in Microsoft) (ATS learning solutions) and also a Marketing Head. The seminar was conducted successfully in the valuable presence of H.O.D, Prof. D.D. Pukale and CESA coordinator Prof. J. D. Jadhav.

Program started with the welcome speech and introduction of speaker by Student Miss Sukhpreet Kaur. Mr. Raj kumar then started his presentation on Microsoft Azure ML certification. He started with explaining us the importance of skilled graduated in the industry, idea by stating instances in times of India and various other news papers. He explained that the companies are ready to pay more but are un willing to invest their time in the candidate for training. We all also had a discussion on "difference between certification and certificate". We all learnt that in order to land in a good job with handsome package we need to upskill ourselves. We came to know about the Microsoft certification in ML.

The Webinar was really beneficial as we came to know about the importance of Machine Larning and how this technology is at boom in present. The Webinar was very interesting, informative and interactive.
