Event Report: Avinya '23 -Tech Fest

Name of Event : National Level technical Festival Avinya'23

Date of Event : 27th & 28th April 2023

Location of Event : Bharati Vidyapeeth's College of Engineering for Women, Pune

Sponsoring Organization : IETE, Ergen technologies

The Bharati Vidyapeeth's College of Engineering for Women, Pune, organized a two-day Tech fest called Avinya '23 on 27th and 28th April 2023. The event was a grand success, and students from various colleges in Pune actively participated in different events.

The inaugural function of the tech fest was held at Bharati Vidyapeeth's Deemed University Medical Auditorium on 27th April. The event started at 10:20 AM and ended at 12:00 PM. The chief guest for the inaugural function was Mr. Vivek Sawant, Chief Mentor, MKCL. The guest of honour for the inaugural function was Dr. V.V. Shete, Chairman IETE Pune Local Centre, and Dr.K.D.Jadhav, Joint Secretary, Bharati Vidyapeeth, Pune. Prof.Dr.S.R.Patil, Principal Bharati Vidyapeeth's College of Engineering for Women, Pune, was also present at the occasion.

The inaugural function started with a welcome address and the Bharati Vidyapeeth song, which was followed by paying tribute to Hon'ble Founder-Chancellor Dr. Patangraoji Kadam by lighting a lamp which was done by all the dignitaries on the Dias. Further, Prof.R.M.Shamalik, Co-coordinator of the tech fest, presented the welcome address with briefing of the event, and Prof.Dr.S.M.Rajbhoj, Co-ordinator of the tech fest Avinya '23, introduced the chief guest, guest of honour, and Joint secretary, followed by the felicitation of all the dignitaries on the Dias.

Prof.Dr.S.R.Patil, Principal Bharati Vidyapeeth Pune, gave a wonderful welcome speech, which was followed by inspirational speeches from the guest of honour Dr.K.D.Jadhav and Dr.V.V.Shete. Mr. Vivek Sawant, Chief guest of the event, presented a wonderful PowerPoint presentation and enlightened all the students present. It was a great pleasure to listen to an individual who has such wealth of knowledge. The program ended with Vote of Thanks presented by the General Secretary of Avinya '23 Miss.Tanushree Desale, and everyone sang Vande Mataram.

After the inaugural function, everyone proceeded towards the college to witness the tech fest. All the dignitaries cut the ribbon in respective labs where various events of the tech fest were happening. On 27th April, Technovations (Project Competition), Intellectual Exchange (Paper Presentation), Yukti (Business/Entrepreneurship Poster Presentation), Screen War (Gaming Zone) were scheduled. On 28th April, Aarohana (Startup Pitch Idea), Robo Maze(Robo Race), Techtrix (Technical Quiz), Prayaas (Portfolio Building), Haktech (Hackathon) were scheduled.

Both days saw active participation from students of various colleges in Pune. Faculty and Student Co-ordinators helped in the smooth functioning of the fest. Overall, Avinya '23 was a grand success, and it provided an excellent platform for engineering students to showcase their talent, skills and learn from industry experts.

Bharati Vidyapeeth's College of Engg. for Women,Pune

Academic Year 2022-2023

Avinya-23 Technical Event

Report " Robo Maze "

Date: 28-04-2023

Students from many colleges were invited to participate in a robo racing competition organised by Bharati Vidyapeeths College of Engineering for Women. This isn't your typical race. We had robots from multiple teams, each with their own design and programming abilities. These robots were entirely autonomous, which meant they could make decisions and navigate the track. They have been meticulously crafted and programmed by our participating teams' brilliant minds, who have put in months of hard work and dedication to bring their creations to life. The robo race coordinator, together with the teams, worked hard to create a unique robo track.

The race track was full of challenges, obstacles, and curves that would put the speed, agility, and intelligence to the test. Our robots had to deal with everything from abrupt curves to dangerous terrain. To outwit their opponents, they will need to manoeuvre through the hurdles, make split-second decisions, and exhibit their cutting-edge technology.

The robots had to cross a series of checkpoints that featured steep slopes, a hollow bridge, a zigzag course, and several other difficulties while remaining fast. One intriguing aspect of the race was that if the team wanted to minimise their timing, they could do so by switching handlers for the second time. That is, each race is a test of the team's ability to build and programme a vehicle.

Rules:

- This is racing event so fastest and most balanced robot will win. Robot should be as per the given specifications.
- Dimension 25*25 cm. Weight not more than 4 kg. Track will be revealed on the day of competition. Each team can have four members.
- Each member of the team must contain the identity card of his/her respected institute. The robot should not damage the arena.
- No test practice will be allowed on the arena. The robot must not leave behind any of its parts during the run; else it will result in disqualification .
- Unethical behavior could lead to disqualification. Faculty co-ordinators have all the rights to take final decision for any matter during the event.
- Certificates of Participation will be given to all the teams that will participate in the event, but not to the teams which get disqualified due to disobeying any of the competition rules. *Co- ordination committee reserves the right to add or update any rule.

Report of Project Exhibition and competition "Technovations"

In Association with IETE

27th April 2023

Project Exhibition and competition "Technovations", in association with IETE was organized by the Department of Electronics & Telecommunication Engineering, on 27th April 2023. The exhibition was organized for B.E. students only. Show casing the student's project to the industries was the main objective and thereby enhancing the project quality as per the need of industry, with this in mind Bharati Vidyapeeth's College of Engineering for Women Pune had initiated the concept of Project Exhibition and competition "Technovations", in association with IETE for UG program of engineering. To achieve the activities carried out are showcasing more than 75 Projects prepared by students from B.E. students of Bharati Vidyapeeth's College of Engineering for Women and various Engineering Colleges. The Projects were critically evaluated by industry and academic experts giving positive feedback to improve quality and value. The industry experts are invited from various industries to judge the projects and based on their evaluation selected the best three groups from overall B.E students.

Under the able guidance of Prof. Dr. S. R. Patil, Principal & Head of E&TC department, special efforts are taken to develop a industry connect. The main objective behind inviting industry judges to assess the projects from industry perspective and receives suggestions by industry experts. The industry experts appreciated projects addressing real world problems.

Name of Event: YUKTI'23

Entrepreneurship development cell organises business or entrepreneurship poster competition

Date : 27-04-2023

We may live in a digital world, but don't underestimate the power of a poster to get the word out. Posters are the most preferred means of advertisement to spread the word about an event or a social issue. But marketers have now turned posters into a potent weapon of brand promotion. They look for unique poster ideas to grab people's attention and also to win target customers' faith and loyalty. No upcoming and established business can ignore the importance of a poster campaign for brand awareness .

Start up and entrepreneurship posters allow young minds to present their ideas and views .Poster presentations challenge you to communicate your research in a different way to oral presentations .

Rules : 1. Individual Participation.

2. Poster should be related to Technical Idea
3. Poster Size Should be (3*2Feet)

Report "Startup Pitch Competition (AAROHANA)"

Date: 28/04/2023

Tech-Fest was organized by Bharti Vidyapeeth College of Engineering for Women, Pune. The name of the tech-fest was "AVINYA". Many technical programs were organized in Avinya. One of them was a startup-pitch competition called "AAROHANA".

We got two judges for the event - Mr. Nityananda Prabhu-Tendulkar and Mr. Rakesh Nalawade. Many students from various colleges had registered for this program. And three of them are winners. Harshraj Singh, Om Vastra and Omkar Jadhav, Saadgi Pandey were the first, second, and third prize winners respectively.

The staff Coordinator for the event was Prof. Vinod Mulik and the student coordinator was Rewa Parashar. The event went very smoothly. We all really enjoyed the tech-fest. And get a lot of experience from all these events.

Rules:

1. Group of 2-3 people or individual participation.
2. Duration 3-5 minutes.
3. PPT Presentation should be related to startup idea only.

Subject: Invitation for Technical Paper Presentation (AVINYA-23)

Dear Sir/Madam,

Wish you seasons greeting!

Bharati Vidyapeeth's College of Engineering for Women is organizing a National Level technical Festival "Avinya-23". It was born out of motive of spreading science, technology & robotics throughout the state and in line with its tradition of bringing something unique to provide a platform to the budding scientist and engineers to showcase their talent.

Various technical events such as Project Exhibition, Paper Presentation, Hackathon, Technical Poster Presentation, Roborace, Portfolio Building, Technical Quiz, Start up Idea Competition. Besides these non-technical events such as Gaming Zone are also organized. Students from more than 50 engineering colleges participating in these events.

We take this opportunity to invite you for Paper Presentation on 27 April 2023. Hope you will accept the invitation and oblige.

Thanking you,

Subject: Invitation for Judging paper presentation competition

Dear Sir/Madam,

Wish you seasons greeting!

Bharati Vidyapeeth's College of Engineering for Women is organizing a National Level technical Festival "Avinya-23". It was born out of motive of spreading science, technology & robotics throughout the state and in line with its tradition of bringing something unique to provide a platform to the budding scientist and engineers to showcase their talent.

Various technical events such as Project Exhibition, Paper Presentation, Hackathon, Technical Poster Presentation, Roborace, Portfolio Building, Technical Quiz, Start up Idea Competition. Besides these non-technical events such as Gaming Zone are also organized. Students from more than 50 engineering colleges participating in these events.

We take this opportunity to invite you for Paper Presentation competition
on ... 27 . April 2023. Hope you will accept the invitation and oblige.

Thanking you,
