

Startup Cell

About Startup India

Startup India is a flagship initiative of the Government of India, intended to catalyze startup culture and build a strong and inclusive ecosystem for innovation and entrepreneurship in India. Launched on 16th January, 2016, the Startup India Initiative has rolled out several programs with the objective of supporting entrepreneurs, building a robust startup ecosystem and transforming India into a country of job creators instead of job seekers.

Prof. Vinod P. Mulik

Coordinator, Startup Cell

BVCOEW has established the startup cell in 2021-22. Under this cell, many startup related activities have been conducted.

BVCOEW has organized startup cell competition “AAROHANA” during Avinya, 23, technical festival. Total 15 groups have participated in competition. Startup cell has also organized poster competition “Yukti” in association with EDC cell during Avinya, 23. Total 17 students have participated in this competition.
