BY: Prof. Anjali P. Kadam

Bharati Vidyapeeth's College of Engineering for Women was established in June 2000, with the collective efforts of experts having long and outstanding academic experience in the field of professional education with the mission 'Social transformation through dynamic education'. The Art Circle is established for showcase their talent hidden in them. I am heartily obliged at being the Head of the art circle. I am sure everybody would be curious to know what motivated us to initiate and execute the plan of art circle. We are working on the art circle since a long time. Even the Online platform is opened to show there art and skill to them. So to continue expressing ourselves through art in the near future as well and not just during lockdown days, art circle seemed to be the perfect opportunity. As we have sincere students of our college, Maria Rashid and Ria Sharma, who are presently appointed as the chairs of art circle and they got the undisturbed support of the current vice chairs Shubhda Ghone and Pooja Sharma. And of course art circle was near to impossible to form without the support of our staff members. At the staff co-ordinating Prof. S.T. Khot(ENTC), Prof. V. G. Gaikwad(ENTC), Prof. K.D. Mahajan(ENTC), Prof. M.A. Rane(IT). Along with the chairs, there were quiet a few students who showed great enthusiasm and were delighted to be members of art circle. One's the art circle was formed there was nothing that could hold us back. As far as the promised engagement, we've already conducted quiet a few activities like transition videos, singing, dancing and designing through social media platform as it had to be virtual for now. I think I've quiet scratched the surface of what joy this platform has got us. Here we have glimpse of we performed under Art Circle.
