Report "K, B, P. Earn and Learn"

Padma Bhushan Dr. Karmveer Bhaurao Patil Earn & Learn Scheme. The founder of Rayat Shikshan Sanstha and eminent educationalist Padma Bhushan Dr. Karmveer Bhaurao Patil started this noble activity in the college of Rayat Shikshan Sanstha. 'Education through self-help' was the seminal principle of Karmveer Bhaurao's educational philosophy. Under earn and learn scheme, we have done work like lab settlement, office work, official report making, library work, software initialization etc. This scheme gives financial support to girls from poor families. Our teacher prof. Kalyani R. Chaudhari mam guided us in all this. During this period, we learnt a lot of new things such as multitasking, handling the paperwork, and how to initialize the different software applications, proper report presentations, etc. The most important thing that we learnt during this was time management and how can one learn and earn at the same time. This opportunity was a great experience that we all could have in our lives and also, we got the exposure to professionalism. We are grateful to our Principal and Professors for giving us such an amazing opportunity to prove ourselves worth and ensuring their trust on us. 25 students have take part in this activity.
