World Earth Day

Earth Day is a yearly event held on April 22 to show support for environmental conservation. It began on April 22, 1970, and has since grown to encompass a diverse variety of events coordinated internationally. On Earth Day 2020, more than 100 million people worldwide celebrated the 50th anniversary as to what is being called the greatest online mass movement in history.

On the occasion of World Earth Day, the NSS Unit of Bharati Vidyapeeth's College of Engineering for Women conducted a virtual Event on 24th April 2020. The program was attended by 25 volunteers as well as NSS Program Officer Prof. S. A. Itkarkar.

Volunteers presented their perspectives on environmental conservation and the efforts that must be taken to safeguard Mother Earth. Following the COVID-19 pandemic, many awareness activities were discussed among the volunteers. For the purpose of raising awareness, volunteers created several posters with slogans about the Earth and the environment. Volunteers also delivered poetry and short talks addressing the significance of environmental preservation. That is how the virtual event was arranged in order to raise awareness among the young generation.

Nirmal Wari

On July 2, 2020, the NSS Unit of Bharati Vidyapeeth College of Engineering for Women, Pune participated virtually in the Nirmal Wari event hosted by Savitribai Phule Pune University. 50 NSS volunteers coordinated by the NSS Program Officers Prof. S A Itkarkar and Prof. Dr. Sonali Kadam participated in this virtual event.

The Nirmal Waari effort aims to provide portable toilets to large crowds during the annual Pandharpur waari and to enlist volunteers to assist assure bathroom usage. Every year, SPPU organises the Warkari Mitra Activity, in which volunteers have the opportunity to do seva for warkaris who live in Pune for two days. Volunteers also perform a variety of street dramas and public awareness initiatives. Because of the pandemic, this event was held virtually this year, and volunteers were educated in the execution of such awareness campaigns and activities for the benefit of society.

Dr. Nitin Karmalkar, Vice Chancellor of SPPU, was also present for this function. He gave a speech about the many activities that volunteers should participate in to raise awareness. While finishing off this virtual session, NSS coordinator Prof. Prabhakar Desai expressed his thoughts and motivated volunteers.

Harit Wari

On July 3, 2020, the NSS Unit of Bharati Vidyapeeth College of Engineering for Women in Pune participated virtually in the Nirmal Wari event organized by Savitribai Phule Pune University. Prof. S. A. Itkarkar, Program Officer, and Prof. Dr. Sonali Kadam were also present for the program. The event had 60 volunteers from Bharati Vidyapeeth's NSS unit who were virtually present.

The Harit wari campaign was organised by National Service Scheme (NSS) students as part of SPPU's 'Swachh Wari-Swastha Wari-Nirmal Wari-Harit Wari' effort. After the pilgrims have left, the students will accompany the warkaris and clean up the area. Every year, SPPU organises the Warkari Mitra Activity, in which volunteers have the opportunity to do seva for warkaris who live in Pune for two days during the annual Pandharpur waari. Because of the pandemic, this event was held virtually this year, and volunteers were educated in the execution of such awareness campaigns and activities for the benefit of society.

Dr. Nitin Karmalkar, Vice Chancellor of SPPU, was also in attendance. He delivered a presentation about how volunteers may join in various activities and provide assistance from a distance at this critical time. Prof. Prabhakar Desai, the NSS coordinator, also voiced his ideas

and encouraged volunteers to do the same. The NSS unit virtually arranged and coordinated the session in this manner.

World Environment Day

World Environment Day is observed annually on June 5th and serves as the primary platform for the United Nations in raising awareness and promoting action for environmental conservation. It has provided a venue for raising awareness on environmental issues such as marine pollution, global warming, human overpopulation, sustainable consumerism, and wildlife crime since its inception in 1974.

On the occasion of World Earth Day on June 5, 2020, the NSS Unit of Bharati Vidyapeeth's College of Engineering For Women held a virtual Event. Prof. S. A. Itkarkar NSS Program Officer, were present for the activity, which included 50 NSS volunteers and 25 staff members from the college as well.

This exercise was also attended by staff members and volunteers. Everyone was told to plant a tree near their homes and on college grounds. The activity was enthusiastically participated in by everyone. Neem, Pipal, Banyan, Baabul, Mango, and other trees were planted. This initiative was taken to enhance public awareness about the importance of the environment and the ways of preserving it. How we should look after our Planet Earth. Save trees, save the earth, and save the environment by following the 3R's mantra: Reuse, Reduce, and Recycle.

Paani Foundation Workshop

The NSS Unit of Bharati Vidyapeeth College of Engineering for Women in Pune attended a Paani Foundation workshop held by Savitribai Phule Pune University on July 5, 2020. In addition to the NSS program officer Prof. S. A. Itkarkar, 50 volunteers took part in this workshop.

Paani Foundation is an independent, non-governmental organisation involved in drought prevention and water resource management in the Indian state of Maharashtra.

The major goal of the Paani Foundation is to disseminate information on water management and groundwater replenishment. Since 2016, the Paani Foundation has organised the Satyamev Jayate Water Cup competition, in which communities compete to execute watershed management and water conservation practises in the summer months preceding the monsoon season.

The spokesperson for the organisation described the Paani Foundation's vision and goal during this workshop. How the concept for this arose. How the locals are educated and motivated about this endeavour. The workshop was amazing since it gave so much knowledge and insights into this organization's noble goals.

NSS Wari – Bhajan

On July 7, 2020, volunteers from the NSS unit took part in an online activity conducted by Savitribai Phule Pune University, NSS Wari- Bhajan. This activity was supervised by the NSS Program Officer Prof. S A Itkarkar for the Bharati Vidyapeeth College of Engineering for Women's NSS unit.

Volunteers from many colleges across Pune took part in this virtual event. Almost everyone recited different Bhajans and reminisced about the memories of the Pandharpur waari. Pandharpur Wari is an annual pilgrimage to the town of Pandharpur in the Indian state of Maharashtra to commemorate the Hindu God Vitthal. The wari entails taking a saint's wooden slippers in a palkhi from their individual shrines to Pandharpur. Thousands of warkaris, or pilgrims, walk in this procession. It takes 21 days to complete the route. The tradition dates back more than 700 years.

Everyone took part in the activity with great enthusiasm and zeal. This gathering was an effort toward maintaining the warkaris' rich culture and heritage. It was indeed a great event organized by the Savitribai Phule Pune University.

Independence Day – Quiz

Independence Day is a national holiday in India observed annually on August 15. Independence Day commemorates the end of British rule in 1947 and the birth of a free and independent Indian country.

To commemorate the occasion, the NSS Unit of Bharati Vidyapeeth College of Engineering for Women conducted an Independence Day quiz event on August 15, 2020. This program was carried out online and was supervised by NSS Program Officers Prof. S A Itkarkar and Prof. Dr. Sonali Kadam. 100 volunteers participated in the quiz.

Students made videos, banners, posters and speeches on India's Freedom Fighters. Some offered brief presentations depicting the country's battle for freedom. Students were encouraged to express their opinions and perspectives about today's freedom. An online quiz was also conducted for students to assess their knowledge of the history of independence. All of the volunteers willingly and actively engaged in this activity and expressed their perspectives. Approximately 100 volunteers took part in the exercise.

Engineer's Day

Engineer's Day is observed in India on September 15 as a symbol of memory and honor to Mokshagundam Visvesvaraya, who is regarded as one of the country's best engineers. Vishveshvaraya is also recognized as the "Father of Indian Engineering" due to his significant achievements and breakthroughs in the fields of engineering and societal development. Since 1968, India has observed Visvesvaraya's birth anniversary as Engineer's Day.

Engineers are critical to a country's progress. Engineer's Day is observed in many sections of the country to recognize the contributions of engineers.

This day was observed virtually by the NSS Unit of Bharati Vidyapeeth College of Engineering for Women. The virtual meeting was arranged by NSS Volunteers and NSS Program Officers Prof. S A Itkarkar and Prof. Dr. Sonali Kadam to instil various technical knowledge to the students and to sprinkle the list of chances. The event drew around 20 volunteers. Volunteers were urged to contribute their fresh innovative ideas that may be employed in society.

NSS Day

Every year on September 24, National Service Scheme Day (NSS Day) is commemorated. In 1969, it was launched. On NSS Day, programs are organized around the country to recognize students who have participated in community service.

The program's goal is to implant in pupils the concept of social welfare and to give service to society without bias. NSS volunteers work to guarantee that everyone in need receives assistance in order to improve their level of living and live a dignified life. Volunteers learn from people in communities how to live a decent life despite limited means. It also assists victims of natural and man-made calamities by giving food, clothes, and first assistance.

On September 24, 2020, the NSS Unit of Bharati Vidyapeeth College of Engineering for Women celebrated NSS Day. Every year, the Bharati Vidyapeeth College of Engineering for Women celebrates NSS Week. 50 volunteers participated in the event.

A variety of activities, games, and social events are planned. However, owing to the epidemic, volunteers commemorated this occasion online this year.

A virtual gathering was held, and the Self Introduction activity was carried out among 100 NSS volunteers which was guided by NSS Program Officers Prof. S A Itkarkar and Prof. Dr. Sonali Kadam. Senior and Alumni Volunteers presented the NSS system and provided an overview of

the specific work we conduct in NSS as well as historical events carried out by our volunteers. They were given a quick overview of the seven-day residential program being held in the surrounding village of our respective college. This is how this day was celebrated with great enthusiasm.

Visit to Rajgad

Rajgad is a hill fort in the Pune region of Maharashtra, India. The fort, formerly known as Murumdev, served as the capital of the Maratha Empire for over 26 years under the leadership of Chatrapati Shivaji Maharaj, after which the capital was relocated to the Raigad Fort. Treasures unearthed in a neighboring fort named Torna were utilized to totally construct and reinforce the Rajgad Fort.

On 25 th October 2020, the NSS Unit of Bharati Vidyapeeth's College of Engineering for Women visited Rajgad Fort on the occasion of Dasara. Dussehra, also known as Dasara or Vijayadashami, is a Hindu event remembering Rama's victory over Ravana, the 10-headed demon king who kidnapped Rama's wife, Sita. Dussehra, which represents the triumph of good over evil, is celebrated on the 10th day of the seventh month of the Hindu calendar, with the emergence of the full moon, an occasion known as the "bright fortnight" (shukla paksha).

This visit was carried out by about 8 NSS volunteers along with NSS Program Officers Prof. S A Itkarkar. The Rajgad Fort is well maintained. At the time, it was a Rajdhani of Chatrapati Shivaji Maharaj. It is located 4250 feet above sea level. There is a lot of beauty in the landscape and surroundings. This fort is located between the Sahyadri Ranges. Fort conservation initiatives such as Cleanliness Drive, Swachhta, and Shramdaan were carried out there.

Bharati Vidyapeeth's College of Engineering for Women Pune- 43

Road safety And Traffic Control Awareness

The NSS unit at Bharati Vidyapeeth College of Engineering for Women in Pune took the initiative to enhance road safety awareness on 14th February 2021. The strategies and tactics employed to protect road users from being killed or badly wounded are referred to as road traffic safety. Typical road users include walkers, cyclists, motorists, car passengers, and on-road public transportation passengers.

To raise awareness about road safety, NSS volunteers created several banners that said things like 'Always wear your seat belts,' 'Do not use mobile phones while driving,' 'Always wear helmets,' and so on. Each NSS volunteer held one of these banners. They also informed the pedestrians and rickshaw drivers on the necessity of traffic safety standards.

This activity was enthusiastically engaged in by NSS program officers Prof. S. A. Itkarkar and Prof. Dr. Sonali Kadam, as well as other college staff members. Along with 2 NSS volunteers. This initiative was tremendously appreciated by everybody.

Food Donation Drive

Donating to the less fortunate is an excellent method to improve the situation in your area or community. Donating food to deserving individuals or organizations helps to alleviate poverty and hunger while also improving peace, friendship, and trust among locals.

On February 14, 2021, the Bharati Vidyapeeth College of Engineering for Women's NSS unit held a food donation drive. This event was carried out by three NSS Volunteers, who were overseen by NSS Officers Prof. S A Itkarkar and Prof. Dr. Sonali Kadam. They gave the food to the people on the way who were in need.

Donating food has two functions for bettering communities, one of which is less evident than the other. Aside from the direct advantages to our communities' inhabitants, the world benefits immensely as well. The less undamaged food that is thrown away, the less unspoiled food that is transferred to a landfill and eventually thrown away.

Women's Day Felicitation

International Women's Day is an opportunity to celebrate progress toward gender equality and women's empowerment, as well as to critically reflect on those achievements and seek for greater momentum toward gender equality globally.

In some nations, it is an official holiday, whereas in others, it is commemorated socially or locally. The holiday is observed by the UN in connection with a specific problem, campaign, or subject in women's rights.

On March 8, 2021, Abhinav College had an event to honor this day by honoring women working in various industries including IT, government, and medicine. This ceremony was organized to congratulate all working women for their dedication and honesty in carrying out their responsibilities.

This event was attended by 5 NSS volunteers from the Bharati Vidyapeeth College of Engineering for Women's NSS unit. Prof. S. A. Itkarkar, NSS volunteers, was honored at this ceremony for her devotion to her career and other social contributions. 5 volunteers attended the event. This event was well received and appreciated by everyone.

Malhargad Fort Visit

Malhargad Fort was the final fort erected by the Marathas. It is an 18th-century structure in India's the Western Ghats, above the village of Sonori, near Saswad, Pune. As a result, it is also known as Sonori Fort. Malhargad is one of the forts on one side of the Sahyadri Mountains, along with Purandar, Sinhagad, and Vajragad. This section of the Sahyadris is known as the Bhuleshwar Range, and it runs east-west in the Western Ghats.

On March 21, 2020, an NSS unit from Bharati Vidyapeeth College of Engineering for Women, together with three volunteers and NSS Officers Prof. S A Itkarkar and Prof. Dr. Sonali Kadam, paid a visit to this fort. They discovered that Malhargad Fort, like the other hill forts, is popular for trekking and a fast escape. On weekends, it is commonly frequented by residents who live nearby.

A historic building, a palace belonging to the Panse Family, can also be seen in Sonori's base village. Despite the fact that much of the palace is in ruins, the Malhargad Fort is remarkably well preserved. Visitors may hike up to the fort, visit the structures, and enjoy a breathtaking view of the Sahyadri Mountain Ranges.

Dev Diwali

Dev Deepavali ("the Diwali of the Gods" or "Event of Lights of the Gods") is the Kartik Purnima festival. It occurs fifteen days after Diwali on the full moon of the Hindu month of Kartika (November - December). More than a million clay lamps (diyas) are lit on the steps of all the ghats on the Ganges River's riverside, from Ravidas Ghat at the southern end to Rajghat, in honor of Ganga, the Ganges, and its presiding goddess.

Houses are decked with oil lights and coloured decorations on their front doorways during Dev Deepawali. At night, firecrackers are fired off, processions of adorned deities parade through the streets, and oil lights are placed adrift on the river. Because of the festival's significance and expanding socio-cultural appeal, it is currently celebrated throughout India.

On December 24, 2021, the NSS unit of B celebrated this occasion with tremendous passion and delight. This day was marked by the burning of countless lights or diyas around the statue of Chatrapati Shivaji Maharaj, which is located on the Bharati Vidyapeeth campus. A beautiful rangoli was also created around the statue, and Shivaji Maharaj was adorned with a garland.

This event was organized by ten NSS volunteers and NSS officers. People who were on campus at the time of the celebration also actively participated. This event was well-received by everybody.

Visit to Ramkrishna Math

On August 12, the globe celebrates International Youth Day, which focuses on the problems that certain young people face across the world. Half of all children between the ages of six and thirteen lack basic reading and math abilities, and childhood poverty remains a global issue. The United Nations established International Youth Day to raise awareness of these concerns while we work to find solutions.

It is a day for reflection, but it is also a day for action, so get involved. There will be various concerts, seminars, and cultural activities taking place, so check out what's going on in your region. It is an effort that recognises the characteristics of young people while also honouring the issues that today's emerging youth confront.

To commemorate this occasion, the NSS unit of Bharati Vidyapeeth College of Engineering for Women, paid a visit to the Ramkrishna Math with 5 volunteers and NSS Officers Prof. S A Itkarkar and Prof. Dr. Sonali Kadam. The Ramakrishna Math and Ramakrishna Mission are twin institutions at the heart of the Ramakrishna Movement, also known as the Vedanta Movement.

This Math's goal is as follows: It will be a magnificent center of tolerance and international acceptance, of grand concord of all religions, creeds, and beliefs, sending forth a dazzling message of goodwill, peace, and harmony, leading the entire universe to emancipation.

Animal Adoption

The practice of transferring responsibility for a pet formerly held by another party, such as a person, shelter, or rescue group, is known as Animal adoption. Animal shelters and rescue organizations are common places to find acceptable dogs. Some organizations offer adopters ownership of the pet, whilst others employ a guardianship model in which the organization retains some influence over the animal's future usage or care.

On the occasion of the late Dr. Patangrao Kadam's birth anniversary, the NSS unit of Bharati Vidyapeeth College of Engineering for Women conducted this act of kindness. He is the founder of the well-known and very successful 'Bharati Vidyapeeth' institution.

On January 31, 2021, 5 NSS volunteers, accompanied by NSS Officers Prof. S A Itkarkar and Prof. Dr. Sonali Kadam, visited the neighboring Rajiv Gandhi Zoological Park and Wildlife Research Centre.

In this Zoological Park, there are a variety of wild animals ranging from small rabbits to tigers. The NSS unit adopted a Panther called Lata at this location. This adoption also served as a celebration of Dr. Vishwajeet Kadam's birth anniversary.

Academic Year 2020-21

Report "Azadika Amrut Mahotsav"

Date: 12 March 2021 to 5 April 2021

Regarding the conduction of activity to collected information about historical places in the respective district of student and organization of the activity in the form of student presentations dated 11/03/2021, the department has organized the activity in the following manner. Aim of the activity:- To celebrate “Azadi ka Amrutmahostaw” 75th completion year for Independence of India.

1. Students are informed about collection of such historical places and make a small presentation to be presented in online mode with other students.
2. Screenshots of the activity while students were presenting information about historical places from their district are captured.

Success of the activity:- Students get to know about the historical places from their district and recieved a good opportunity to present their district to other students from their class. As well as essay competition was conducted in Information Technology Department. One lecture was conducted on topic “Bharatachya swatantryachi 75 Varshe” by Miss. Apoorva Thakare.
