Perspective plan for Academic Year 2020-2021

ICT: Information and Communication Technology

The institute plans to focus on ICT strengthening this year. The creation of ICT (Information and Communication Technology) is essential for various reasons. ICT plays a crucial role in facilitating communication, sharing information, and managing data efficiently. It enables improved connectivity, collaboration, and access to resources. Additionally, ICT supports technological advancements, enhances educational and professional opportunities, and contributes to overall societal development. The creation of ICT is driven by the need for a technologically empowered and interconnected world. The institute expects that creating ICT environment will be a key feature for the students as well as for the faculties.

I/C Principal
Bharati Vidyapeeth's
College of Fine Arts

Welcome to Class Notebook

Your OneNote Class Notebook is a digital notebook for the handwritten notes, attachments, links, voice, video, and more.

Each notebook is organized into three parts:

- Student Notebooks** – A private space shared between the teacher and each student. Each student can access every student notebook, while students can only see their own.
- Content Library** – A read-only space where teachers can share handouts, assignments, and other content.
- Collaboration Space** – A space where everyone in your class can share, discuss, and work together on assignments.
