

List of Major Equipment's in each Laboratory/Workshop

Sr.No	Name of the equipment	Name of laboratory	Cost
1	Digital planimeter	Surveying	91000
2	1" micro-optic theodolite with accessories	Surveying	117040
3	Total Station NTS-362L	Surveying	133500
4	Automatic Level	Surveying	53430
5	Digital Compression testing machine	Concrete Technology	106800
6	Ultrasonic pulse velocity	Concrete Technology	133500
7	LOS Angels Abrasion testing machine	Concrete Technology	57850
8	Direct Shear Apparatus	Geotechnical engineering	48950
9	Cover Gauge	Maintenance and repairs	169800
10	Rapid chloride Permeability Tester	Maintenance and repairs	80000
11	Crack Detection Microscope	Maintenance and repairs	43000
12	Rebar Locator	Maintenance and repairs	40000
13	BOD Incubator Bottles	Public Health Engineering	62000
14	Tile Abrasion Testing Machine	Mechanics of Structures	51620
