NaMo Maharojgar Melava

Maharojgar Melava (Job Fair) was the initiative taken by Government of Maharashtra to offer the jobs on the spot. Fair was held at Thane. All third year students were attended it on 6th and 7th March 2024. Various domes were created for the stalls of employers. There were around 400 stalls offering job from engineering to retail to service industries. Carrier guidance seminars were also organized. Experts from various industries like Tata Retails, Reliance, and Government Agencies were present for guiding students. Expert emphasized on students liking of various fields before choosing jobs. They also shared their personal experience and briefed about the upcoming fields having higher potentials for job.

Our Civil Engineering students are interviewed by J Kumar Infraprojects and B.G. Shirke Construction. Discussion for availability of candidates of Mechanical Engineering with DRS Millennium Group who is authorized dealer of Volvo Buses in India.

Carrier Guidance Seminar

Carrier guidance seminar was organized on 31st January 2024 at BVIT Navi Mumbai. Program was organized on the occasion of inauguration of Student Chapter of IEI. Program started by garlanding the statue of Godness Saraswati followed by lighting the lamp. Prof. P.N. Tandon , Principal BVIT Navi Mumbai gave welcome address followed by felicitation of all dignitaries on the dais and off the dais. Guest of the function Mr. K K. Varkhedkar , Past Chairman, IEI NMLC and Ret. Chief Engineer CIDCO. Mrs. Nirali Krishna introduced the guest. Mr. Varkhedkar shared his experiences during his working in various organizations. Then he elaborated various opportunities for the engineers to work in government organization. He also explained how interdisciplinary jobs are available in various files. Program was concluded by vote of thanks.

Training on Use of Fire Extinguisher

Fire safety is important for any building. Firefighting system is installed in every building. If fire is extinguished at early stage bigger mishaps can be avoided. Training on use of Fire Extinguisher is organized at Bharati Vidyapeeth Institute of Technology Navi Mumbai on 2nd March 2024. Experts from Deep Fire Safety Services explained the nature of fires and type of extinguisher used for it. Demonstration of operation of extinguisher is also organized at institute.

Placement

This year more than 28 companies have approached us for till date the placement of students. Few more companies are in the pipeline. Mechanical Engineering, Electrical Engineering and Civil Engineering students are the most sought for the placement. Recruiter companies are from multinational companies to local companies. CTC varies from 5.5 lacks to 2.4 lacks. Most of the companies are preferring online mode for screening test and conducting interviews at their place. Total 28 students are applied for the job. 8 students from Mechanical Engineering, 7 students from Chemical Engineering, 8 students from Electrical engineering and 1 student from Electronics and Telecommunication engineering.
