Meri Mati Mera Desh

Prime Minister Narendra Damodar Modi has announced *Meri Maati Mera Desh* campaign during one of his speeches in the context of the coming of 77th Independence Day. The aim of this campaign is to honor the brave freedom fighters who participated in the independence of India.

Oath of Panch Pran Pratigya was taken under *Meri Mati Mera Desh* program on **9th Aug 2023** in BVIT by Students and Faculty members of BVIT.

"Cleanliness Drive at Bharti Vidyapeeth Institute ofTechnology, Navi Mumbai: A Unity in Action"

Cleaning supplies such as brooms, masks, trash bags, and gloves were efficiently arranged to facilitate the cleaning process. Throughout the day, participants were organized into teams, each assigned specific areas of the campus to clean. These areas included classrooms, corridors, common areas, gardens, and parking lots. The primary focus was on collecting litter, sweeping, and disposing of garbage properly.

On **October 5th, 2023**, Bharati Vidyapeeth Institute of Technology, Navi Mumbai, embarked on a noteworthy endeavour by hosting a Swachh Bharat Abhiyaan within its campus premises. This initiative was a resounding success, uniting students from various academic branches in a collective effort to enhance the cleanliness and hygiene of the institution. The primary objectives of this event were to instill a sense of responsibility and civic duty among the student community, raise awareness about the importance of cleanliness, and contribute actively to the larger vision of a cleaner India.

In conclusion, the Swachh Bharat Abhiyan at Bharti Vidyapeeth Institute of Technology, Navi Mumbai, served as a shining example of how an educational institution can actively participate in the nationwide initiative of building a cleaner and healthier India.

INAUGURATION OF MODROB LAB

Introduction:

In the ever-evolving landscape of education and technological innovation, the inauguration of the MODROB Lab marked a significant milestone for our institution. This transformative initiative was made possible through the visionary leadership of our principal, Mr. P.N. Tandon. *Modernization and Removal of Obsolescence(MODROB) Lab* inaugurated in Department of Electronics & Telecommunication on *23rd October, 2023* at the hands of Principal Mr. P.N. Tandon. This is very First Funded Lab of our Institute by AICTE New Delhi Under MODROB Scheme with sanctioned grant in aid of Rs.774500/-. This lab is designed under Title of project as *"Maintain RADAR based communication system, mobile based Communication System and Satellite Communication System"*.

The Coordinator of MODROB lab Mr. Suryasevak Singh, Mr. Sutar Shahaji, Head of Electronics & Telecommunication Department , Respected Principal Mr. P.N. Tandon, Respected Vice Principal Mr.J.K.Patil and all staff members of EJ department were present for the inaugural function.

In this narrative, we delve into the pivotal role played by Mr. P.N. Tandon in establishing the MODROB Lab and its far-reaching implications for our institution.

Inaugural Ceremony :- The function began with a ceremonial inauguration where Principal Mr. P.N. Tandon sir cut the ribbon to mark the official start of the event. His presence added a touch of prestige to the occasion, emphasizing the importance of the event within our institution.

Introduction of the Department:- As part of the inaugural ceremony, Mr. Tandon sir introduced the department, highlighting its achievements, goals, and contributions to the institution. This introduction served as a platform to showcase the department's significance and accomplishments.

Inauguration of MODROB lab:- Mr. P.N. Tandon, our esteemed principal, played a pivotal role in inaugurating the state-of-the-art MODROB Lab. His visionary leadership and commitment to fostering innovation in education and research have significantly contributed to the advancement of our institution. The MODROB Lab stands as a testament to his dedication to providing students with cutting-edge facilities and opportunities to excel in the field of robotics and automation.

Conclusion:

In conclusion, Mr. P.N. Tandon's inauguration of the MODROB Lab reflects his unwavering dedication to the progress of our institution and its students. This forward-thinking initiative has positioned our school as a hub for innovation in the field of robotics and automation, thanks to his visionary leadership and commitment to providing students with the best resources for their academic and research endeavors.

NATIONAL UNITY DAY 2023
(Essay Writing Competition)

Introduction:-

The Electronics and Telecommunication Department at Bharati Vidyapeeth Institute of Technology, Navi Mumbai, proudly celebrated National Unity Day 2023 on **30th October 2023**, a momentous occasion that marks the birth anniversary of the "Iron Man of India", Sardar Vallabhbhai Patel. This day is dedicated to promoting unity and integrity across the nation, emphasizing the importance of standing together as one.

Essay Writing Competition:-

To commemorate this special day, our department organized an Essay Writing Competition for the talented students. This competition aimed to encourage students to reflect on the ideals of unity, patriotism, and the contributions of Sardar Vallabhbhai Patel in shaping the nation.

Coordinator and Management:-

The success of this event would not have been possible without the exceptional efforts of all Electronics and Telecommunication Department staff members, Head of EJ department and Ahmed Nakhwa, who served as the student coordinator for the Essay Writing Competition. Ahmed's dedication and meticulous planning ensured that the event ran smoothly and efficiently.

Event Highlights:-

The Essay Writing Competition saw enthusiastic participation from our students. The topics were carefully chosen to invoke thoughtful discussions about unity, diversity, and the role of Sardar Vallabhbhai Patel in unifying India. The students displayed their creativity, knowledge, and writing skills in their submissions.

The judging panel, consisting of esteemed faculty members, had a tough task selecting the winners from the impressive essays submitted by the students. The competition fostered a sense of healthy competition and showcased the intellectual capabilities of our students.

Winners and Recognition:-

The winners of the Essay Writing Competition were awarded certificates of excellence, along with the opportunity to have their essays featured on our department's website, promoting their talent and contributions to the academic community.

Winners:

1.Ishan Jagtap (SYCM) - First Prize

2.Diksha Gharat (TYEJ) - Second Prize

3.Mrunali Telhore (SYME) - Third Prize

Conclusion:-

National Unity Day 2023 was a great success for the Electronics and Telecommunication Department at Bharati Vidyapeeth Institute of Technology, Navi Mumbai. The Essay Writing Competition served as a fitting tribute to Sardar Vallabhbhai Patel, highlighting the importance of unity, patriotism, and the role of youth in nation-building.

PATANGRAOJI KADAM SAHEB ELOCUTION/ESSAY COMPETITION-2024

The EJ department of Bharati Vidyapeeth Institute of Technology orchestrated an engaging elocution and essay competition, a testament to the institution's commitment to fostering intellectual discourse and expression. Anchored by the dynamic quartet comprising Ahmed Nakhwa, Jay Avhad, Arsheen, and the duo Vedanti and Vaishnavi, the event promised a confluence of diverse perspectives and eloquence.

The organizers embraced innovation in the registration process, opting for a chit selection system. This departure from the conventional method introduced an element of spontaneity,

ensuring a diverse pool of participants and setting the tone for a dynamic competition.

What set this competition apart was the unconventional approach to awarding prizes. Contrary to the norm, both the 1st and 3rd prizes were shared among participants, highlighting the exceptional quality of contributions. This not only acknowledged the depth of talent but also encouraged a sense of collective achievement, fostering a supportive environment among contestants.

The inauguration of the event was a moment of prestige as Vice Principal Mr.J.K Patil took the stage to ceremoniously light the lamp. His presence infused the occasion with gravitas and emphasized the significance of intellectual pursuits within the academic community.

The collaboration among organizers, anchors, and participants culminated in a vibrant atmosphere, showcasing the spirit of healthy competition and the celebration of intellectual diversity. The event's distinctive features, such as the chit selection process and shared prizes, not only made it memorable but also paved the way for future iterations to adopt innovative approaches.

In conclusion, the elocution and essay competition organized by the EJ department at Bharati

Vidyapeeth Institute of Technology stood out as a resounding success, characterized by innovation, inclusivity, and a celebration of intellectual prowess. Congratulations to all involved for contributing to an event that undoubtedly enriched the academic and cultural tapestry of the institution.

WINNERS:-

Elocution Competition:

1) **Dev Rai (TYCM, BVIT) & Abigali D'souza (SYBDS, BVDCH) – First Prize**
2) **Asma Khan (SYCM, BVIT) – Second Prize**

Essay Competition:

1) **Vaibhavi Shelake (TYEJ, BVIT) & Reet Jadhav (FYEJ, BVIT) - Third Prize**

STATE LEVEL TECHNICAL PAPER PRESENTATION FOR ELECTRONICS GROUP

The State Level Technical Paper Presentation for the Electronics Group was organized by Electronics and Telecommunication Department on **January 25, 2024**, provided a platform for students to showcase their research and innovation in the field of electronics.

Our Principal Mr. P. N. Tandon addressed students from various college on occasion of a paper presentation event. The Principal acknowledged the significant role played by the HOD (EJ Dept), organizing committee members and student coordinators in organizing and facilitating the State Level Technical Presentation event.

The event saw enthusiastic participation from students across various institutes, bringing together a diverse range of ideas and perspectives within the electronics domain.

Students delivered insightful presentations on topics ranging from emerging technologies to practical applications in electronics. The presentations were judged based on presentation content, innovation, presentation skills, timing and the ability to address questions from the audience and panel of judges.

Winners:

The competition was keenly contested, and the winners were selected for their outstanding contributions to the field. The announcement of the winners was a moment of celebration, acknowledging the hard work and dedication of the participants.

Winners: *Vaibhavi Shelake and Bhumika Mhatre*

Runner up : *Sakshi Kharade and Suhaani Kadam*

The event served as a valuable networking opportunity, allowing students to connect with peers, faculty, and industry professionals. The exchange of ideas and experiences fostered a spirit of collaboration and knowledge sharing.

Conclusion:

The State Level Technical Paper Presentation for Electronics Group Organized by Electronics and Telecommunication Department at Bharati Vidyapeeth Institute of Technology, Navi Mumbai, was a successful and enriching event, showcasing the talent and innovation within the

electronics community. The HOD(EJ dept) Mr.S. S. Sutar, organizing Committee and student co-ordinators actively participated in the overall success of the event. The institute's commitment to providing such platforms contributes significantly to the academic and professional growth of its students.
