About BVIMR

Established in 1992, Bharati Vidyapeeth University Institute of Management And Research (BVIMR), New Delhi enjoys the reputation of being one of the premier institutes imparting quality education in management. BVIMR is a constituent Unit of Bharati Vidyapeeth Deemed University, Pune, which has recently been re-accredited with “A+” grade by NAAC. BVIMR is an ISO 9001:2015 Quality Management and ISO 14001:2015 environmental management certified institute. It is ranked as one of the “Top 50 B-schools in India” and “Top 5 B-schools in Delhi” by Business India, Business and Management Chronicle and Careers 360. It has also been ranked among top 75 B-School in India (NIRF 2016). The institute is the proud receiver of “B-school Leadership award” by Star News. Having eight acres oasis in West Delhi, it is the only institute attached with metro station (Paschim Vihar, West Delhi). BVIMR has world class infrastructural and institutional facilities (stage of art facilities, air conditioned classrooms, library and hostel), which facilitate excellence in teaching, research, consultation and other professional activities. The team at BVIMR aims at developing entrepreneurial skills in the students besides training young professionals to meet the challenges of globalization.

The institute takes pride to announce the IX International Conference on “EMPOWERING TO CREATE SMART FUTURE THROUGH E- GOVERNANCE AND DIGITIZATION”. BVIMR keeps in pace with the changing global trends and ensures to provide common platform to academicians and corporate for discussions and deliberations. The institute also organizes various AICTE Sponsored National conferences, faculty development programs, seminars and workshops.

About BVIMSR

Where the response to Truth is swift and sure, and spirit is not hampered by its fame.”

Bharati Vidyapeeth’s Institute of Management Studies and Research (BVIMSR) was started in 1984 and currently headed by Dr. D.Y. Patil, with the objective of imparting quality management education to the youth to meet the challenges of corporate India. The institute is situated amidst a picturesque backdrop of Parsik Hills of Belapur and strategically located among the industrial hub of Mumbai, Navi Mumbai and Western India. BVIMSR has been conducting management programs leading to the most prestigious post-graduate degree of MMS (Master’s Degree in Management Studies). The Institute also conducts an AICTE recognized post-graduate program in management leading to the PGDBM with the specialization in Marketing, Finance, HR, Systems and Operation Management traversing beyond formal university program to meet the need for high dimensional executives.

About AASI

The Association of African Students (AASI) in India a non profit Organization, is a re-emerging umbrella organisation uniting all African students in India to facilitate cooperation between its members and the international academic world, study and publicize and advocate the educational and related needs of African higher education institutions.

The main objectives of the Association are to promote cooperation among African students in the world; collect, classify, modify, improve and disseminate information on higher education and research, particularly in Africa; facilitate cooperation between its members and the international academic world; study and publicize and advocate the educational and related needs of African higher education institutions; and facilitate the exchange of information and experience among members of the academic community, and promote best practices.

About AIMS

Founded in 1988, AIMS (Association of Indian Management Schools) a Non -Profit professional organisation is a networking organisation of business schools in India. It is the second Largest network of business schools in World with a network of 698 top management schools of national and International repute

“सशक्तिकरण”

About the Conference

There is a noticeable surging growth in connectivity, broadband and data across the country in specific and the World in general. Digitization, which harnesses the power of connecting people, process, data and things, will transform our industries and change the way we work and how governments serve its citizens. The conference will also be having digital track in the form of webinar presentation helping few authors to get connected to audience though ICT mode mainly on skype.

In order to explore the underlying facts, the conference has the following objectives:

- Providing a platform for academicians, corporate, research scholars, and students to contribute towards the vision of the conference with the blend of their experiences
- Fostering the analytical skills in the core and non-core domain of the participants
- Contributing towards the pool of resourceful knowledge and ideas to carve its niche
- Providing an opportunity to all participants for networking and collaboration in future research projects
