#### About Bharati Vidyapeeth

Bharati Vidyapeeth is one of the leading premier educational institutions in India serving the nation since 1964 with the motto of "Social Transformation through Dynamic Education" as dreamt by Late Hon. Dr. Patangraoji Kadam Saheb. Bharati Vidyapeeth conducts more than 156 educational units of various kinds. Bharati Vidyapeeth is privileged with A+ grade by NAAC Bangalore.

Affiliated to the Shivaji University, Kolhapur and approved by the Bar Council of India.

#### About the Theme

The first consumer protection legislation Consumer Protection Act, 1986 was introduced with the primary objective of protecting consumer rights. Over the past 20 years, the consumerism in India has seen a paradigm shift with the advent of technology and the introduction of e-commerce.

On July 20<sup>th</sup>, 2020, the new Consumer Protection Act, 2019 came into force in India, replacing the previous enactment of 1986. The Consumer Protection Act, 2019 received the assent of the President on 9<sup>th</sup> August 2019.

The majority of the provisions of the Act have been notified vide notification dated 15<sup>th</sup> July 2020 and has been brought into effect from 20<sup>th</sup> July 2020.

The object clause of an Act is to provide for protection of the interests of consumers. We have witnessed the change and outcome of the earlier Act of 1986. Now it is time to predict the

arousing outcome and alarming effects of this new law of 2019.

The success of any legislation depends upon its acceptance and application. The 'consumer' to be a real king must be aware about his rights and laws available to protect his rights. Different dimensions co-exist with the consumerism, aspects like e-commerce, advertisement, services and so on. These aspects are inevitable now in our private as well as social life. The intellectuals, academicians, bureaucrats, market players, forums, NGOs, dispute settlement agencies and many others are involved in this spectrum. The seminar will ponder upon varied facets of consumer protection laws.

## About Thousand Smiles Orthodontic Centre

'Thousand Smiles Orthodontic Centre' is a friendly, largest state of the art specialized centre for orthodontic care and treatment. It is the only (ISO 9001 : 2015) certified Orthodontic Centre in Northern Karnataka and South Maharashtra.

At 'Thousand Smiles' we take pride in working with the latest techniques so that you can be sure of receiving the most up to date treatments available to create a perfect smile. We are a young, dynamic team of highly professional orthodontists, with a wealth of experience having treated complex orthodontic problems. At Thousand Smiles we maintain a strict infection control protocol as patient care and comfort is our priority.

We continually strive for the highest standard of patient care and clinical excellence.

A nice smile is priceless: it can enhance physical appearance, and it can also boost self confidence as it brings the face to a better proportion. Many a times one tends to hide their smile because of crooked teeth, irregular teeth, forwardly placed teeth or a gummy Smile.

All these problems can be treated systematically & permanently using orthodontic treatment at 'Thousand Smiles Orthodontic Centre' Kolhapur.

Thousands smiles with this context has now initiated a city wide campaign to create awareness about the importance and the availability of orthodontics services and treatment. As a part of this campaign, 'Thousand Smiles' is now conducting "Free Dental Check-up Camps" at select Schools and Colleges in and around Kolhapur.

We Thank you for providing us an opportunity for conducting Free Dental Check-up at your esteemed School/College.
